Budget.

Read Budget Estimate of the Chemical Examiner for the year 1876-77, dated 14th September 1875.

No. 157. ORDER THEREON, 24th September 1875, No. 1878.

The Chemical Examiner's Budget Estimate of charges for 1876-77 is of the same amount (Rupees 14,700) as the allotment for the current year.

2. In the estimate the actuals for 1874-75 are entered at Rupees 13,656-14-8 while the accounts of the Accountant-General show that they amounted to Rupees 14,314-13-7. The difference between the estimate and accounts is Rupees 657-14-11, *viz.*:—

—	Estimate.	Accountant-General's account.	Difference.
	RS. A. P.	RS. A. P.	RS. A. P.
Chemical Examiner—			
Pay and house-rent	12,987 1 10	13,781 15 5	794 13 7

Contingencies	333 12 10	196 14 2	136 14 8
Net difference ...	.....	.....	657 14 11

3. The Chemical Examiner will in future obtain the actuals from the Accountant-General and insert them in his estimate.

4. The "Contingencies" are estimated, as in the previous year, at Rupees 564, but no reason has been assigned why the estimate should be repeated when the actuals (according to the estimate) did not exceed Rupees 334 or Rupees 230 less than the proposed allotment. Judging from the actuals for 1873-74* and for 1874-75† a provision of Rupees 450 will, it is expected, cover all charges.

* Rupees 425.
† ,, 334.

5. The aggregate of the estimate for 1876-77 will be reduced from Rs. 14,700 to Rupees 14,586, which amount is passed for entry in the Provincial Services Budget.
