Municipal Loan.

Read the following papers :—

No. 158. From A. WEDDERBURN, Esq., President of the Municipal Commissions, Coimbatore, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Caroor, 13th August 1875, No. 54.

I have the honor to forward a letter* from the Vice-President, Caroor Municipality, asking for a loan of Rupees 3,000 to be advanced to the townspeople for re-erection of their houses which were destroyed by an accidental fire that broke out on the 22nd June last. I agree with the Commissioners that this opportunity should be taken to have the houses tiled instead of allowing them to be thatched.

*Dated 16th July 1875.

2. I beg that Government will be pleased to grant the loan solicited at 4½ per cent., which will be allotted, at the same rate, to the housebuilders in loans repayable in three or four years on due security.

From G. McWATTERS, Esq., Vice-President of the Municipal Commission, Caroor, to A. WEDDERBURN, Esq., President of the Municipal Commission, Caroor, dated Caroor, 16th July 1875.

An accidental fire broke out, in the Town of Caroor, on the 22nd ultimo, and destroyed 262 houses, most of which were thatched, and the property of the poorest of the inhabitants.

2. The Municipal Commissioners consider that advantage should be taken of this occurrence to have the majority of the new houses tiled instead of thatched, and they propose that Government be requested to lend the Municipality a sum of Rupees 3,000 for this purpose, to be advanced to the townspeople in small sums, on the best security procurable, and to be recoverable with interest in three or four years.

3. The Government loan might be made on security of the tolls which will realize at all events Rupees 2,000 annually, after deducting the Local Fund contribution of one-third the proceeds.

4. The Municipality, I need hardly say, has no funds itself out of which advances could be made for the purposes in view.

No. 159. From G. McWATTERS, Esq., Vice-President of the Municipal Commission, Caroor, to A. WEDDERBURN, Esq., President of the Municipal Commission, Caroor, dated Kangayam, 30th August 1875, No. 150.

With reference to the enclosed official memorandum from the Acting Under Secretary to Government, dated 23rd August 1875, No. 342, I have the honor to state that the Commissioners felt themselves obliged to grant permission to the poorest of the inhabitants of Caroor, who suffered from the late fire, to rethatch their houses as cholera was threatening, and as exposure to the rainy season in consequence was extremely dangerous to life.

2. I doubt, therefore, the propriety of formally applying to Government for a loan, as was proposed.
