SEPTEMBER.
No. 165.

*Local Funds—Roads.*—Local Fund Boards desired to state what estimates for the construction of roads they have, not yet submitted for want of money; and what other portion of their Circles remain unopened from the same cause, with the probable cost of so opening them out.

Note - The information called for in para 2 of His Excellency's Minute will be available (for 1873-74) in the forms of Local Fund Accounts already called for, and now being tabulated.

The information called for in para 3 is expected shortly from the Board of Revenue.

Note

Financial Depart

I desire to bring under review of Government the position of the Road Fund - including the Land-cess and Provincial grant (shown separately) - for the entire Presidency - with reference more especially to the proportion in which it is assigned to Maintenance Grants, to New Works and D.P.W. Establishments.

2 I beg that a statement may be prepared showing separately for 1874-75 the receipts from all heads - Land-cess, Provl. Grant, Tolls and any other sources credited thereto - and Expenditure

Expenditure:- Repairs (mileage grants &c) Road Works, D.P. & Establishts &c &c.

3 I want likewise the miles of road Completed (to which Mileage grants are assigned) & under Construction &c and the total amount of Sanctioned Estimates awaiting Execution

4 And it might be desirable that D. & L. Boards that Estimates they have in hand not yet submitted for want of money and what other Districts of them are to require to be opened out (& at what probable cost) which have not yet been brought under Consideration from the same Causes.

This inquiry need not delay the preparation of the Statements asked for
