No. 179. Read the following Proceedings of the Board of Revenue, dated 8th September 1875, No. 8127 (Miscellaneous):—

Read the following letter from W. McQUHAE, Esq., President of the Local Fund Board, Madura, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Madura, 4th August 1875, No. 96:—

Adverting to the Proceedings of the Local Fund Board, Dindigul Circle, No. 84 of 1875, copy of which is herewith forwarded, I have the honor to request sanction for the entertainment, from the General Reserve, of three additional 2nd-Class Vaccinators for four months on Rupees 10 each per mensem. It seems desirable that general sanction should be granted to the Local Fund Boards to entertain additional vaccinators as occasion arises, for delay may often be attended with serious consequences. At the same time to show that additional vaccinators are likely to do good, it should be proved that the existing staff is fully employed, and it might be useful to require Local Boards to record information on this point when sanctioning the appointment of more men.

Proceedings No. 84 of 1875.

Read letter from the Superintendent of Vaccination, D.C., No. 46, dated 22nd May 1875, applying for three additional Vaccinators for four months to check Small-pox now prevailing in Dindigul Taluq.

Sanction will be requested to the entertainment of three additional 2nd-Class Vaccinators for four months. The cost (Rupees 120) can be met from General Reserve. The Local Fund Board think that general sanction should be granted them to entertain additional vaccinators when required, as it seems most unwise to delay action in the presence of disease, pending formal application to the Revenue Board and Government.
