Proceedings of the Madras Government, Financial Department,
1st October 1875.

Local Funds—Medical.

No. 9-A. Read the following letter from Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Honorable D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Fort St. George, 24th September 1875, No. 488 :—

I have the honor to forward, for submission to the Honorable the Governor in Council, the accompanying Proceedings of the Board of Revenue, No. 2578, of the 15th instant, and two enclosures, addressed to Government for transmission through the Medical Department.

2. The Local Fund Board, Nundial, propose to employ the Hospital Assistant attached to their Civil Dispensary also as Sanitary Inspector of the district at an additional monthly cost of 10 Rupees—a measure approved by the Board of Revenue. There is no objection in the Medical Department to the Hospital Assistant being so employed; on the contrary, there is every reason to believe that the sanitary condition of the district will be benefited by the proposed arrangement, and I have the honor accordingly to recommend the measure for the favorable consideration of Government.

Proceedings of the Board of Revenue, dated 15th September 1875, *No.* 2578.

Read the following letter from J. HOPE, Esq., President of the Local Fund Board, Kurnool Circle, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 3rd August 1875, No. 37 :—

With reference to the remarks of the Deputy Surgeon-General on the unsatisfactory condition of the Nundial Town recorded in the Revenue Board's Proceedings, No. 1,182, dated 7th May last, I have the honor to state that the Local Fund Board have resolved to appoint the Second-class Hospital Assistant in charge of the Civil Dispensary at Nundial as a Sanitary Inspector and assign him Rupees 15 a-month as extra salary, and request you will be good enough to obtain sanction for the same.

2. There are at present seven scavengers and a maistry for cleaning the town, and it is proposed to do away with the maistry. This will effect a saving of Rupees 5 a-month, so that the actual additional expenditure to be incurred is Rupees 10 a-month or Rupees 120 a-year.

3. The increase may be met from the balance of General Fund.

Submitted for the favorable consideration of Government through the Surgeon-General.

2. The Second-class Hospital Assistant attached to the Civil Dispensary at Nundial seems to have studied the sanitary requirements of the town as will be seen from his report embodied in Board's Proceedings, dated 11th March 1875, No. 584, a copy of which is herewith submitted for the information of Government.
