**Local Funds—Reports.**

No. 18. Read the following Proceedings of the Board of Revenue, dated 8th September 1875, No. 2518:—

Read the following letter from W. LOGAN, Esq., Acting President of the Local Fund Boards, Malabar, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Calicut, 15th June 1875, No. 240:—

I HAVE the honor to furnish you with the information called for in Board's Proceedings, No. 1,310, dated 15th May 1875, reviewing the Local Fund reports of Calicut and Tellicherry Circles for 1873-74.

2. *Paragraph* 16.—The difference between the actuals and the estimate on account of contribution for the maintenance of certain roads within the limits of Palghaut Municipality was caused by the Local Fund Board having had to pay during the year under review the contributions for two years, 1872-73 and 1873-74.

3. As regards the debt of Rupees 280 in favor of Palghaut Municipality, under Tolls, I have the honor to state that, among the new tolls established since the introduction of the Local Fund Act, Olavacode was one.

4. This toll was on the boundary of the Municipality, where already existed a municipal toll. By a mutual arrangement the Local Fund Board retained the management of the toll, and made an annual payment to the Municipality equal to the previous income therefrom.

5. On this account the Local Fund Board had to pay, during the year 1873-74, a sum of Rupees 280, being a portion of the share due for 1872-73, and hence the cause for the debit of Rupees 280 in the accounts of 1873-74.

6. With regard to the statement that the income from tolls is net, I beg to refer you to G.O., No. 1,329, dated 4th October 1872, from which it will be seen that the arrangement by which the Local Fund Board had to pay to the Municipality a portion of the income from tolls at Olavacode ceased, and a moiety of the tolls on the roads leading into the Municipality was ordered to be paid to the Local Fund Board.

7. *Paragraph* 17.—The sum of Rupees 418-8-3 represent the amount paid to the Superintendent of Revenue Survey, Coimbatore, for surveying the road from the Coimbatore boundary to Calicut.

8. In this office letter, No. 342, dated 24th October 1872, Mr. Macgregor stated that a sum of Rupees 2,000 would be available in 1872-73 for this purpose; but, by an oversight, the sanction of the Board was not obtained for disbursing the sum of Rupees 418-8-3, a bill for which came in only in 1873-74.

9. The other important lines in the district are being surveyed, and similar charges have to be paid during the current year.

10. The Accountant-General has shown this expenditure under Sanitary and Miscellaneous.

11. *Paragraph* 31.—Copies of medical officers' reports on the working of the dispensaries noted in the margin, which have been called for, will be forwarded as soon they are received.

Mangerry, Ponnany, and Goodalore.

12. *Paragraph* 34.—The difference of Rupees 446 between the amount shown by the President and that shown by the Accountant-General under "Sanitation" was caused by the latter officer having included under it the sum of Rupees 418-8-3, the cost of survey of roads, and Rupees 26-13-8, the rent for soldiers' play-ground.

13. *Paragraph* 36.—The statement showing the number of travellers that used the bungalows will follow shortly.

14. *Paragraph* 39.—The total sum shown by the Accountant-General under Items 2, 4 and 5, Grant IV., Miscellaneous, is Rupees 247, and that shown by the President is Rupees 274. The difference is Rupees 27, being the rent of soldiers' play-ground, which has been shown by the Accountant-General under Sanitary and Miscellaneous.

15. *Paragraph* 41.—The Board consists of twenty-four members; twelve are officials, and twelve non-officials.

16. *Paragraph* 72.—The erroneous credits referred to in paragraphs 5 and 6 of this office letter have been adjusted.

---

SUBMITTED to Government in continuation of Board's Proceedings, dated 15th May 1875, No. 1,310, reviewing the Local Fund reports of the Calicut and Tellicherry Circles for 1873-74.

2. As regards the sum of Rupees 418-8-3 paid to the Superintendent of Revenue Survey, Coimbatore, for surveying the road from the Coimbatore boundary to Calicut, and referred to in paragraph 7 of the foregoing letter, the President has rightly shown the charge under Grant I., but the expenditure should be debited to the Road Fund instead of to the General Fund. The necessary alterations will now be made in the accounts.

3. The President is requested to explain in the next report why the Local Fund Board pay rent for soldiers' play-ground.
