No. 31. From Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Fort St. George, 16th September 1875, No. 473.

In G.O., 4th June, No. 1216 of 1875, Government promised to supply medicines gratuitously to the sickly Cumbum Municipality, so far as the demand might be exceeding the average of an ordinary healthy district of the same size.

2. I have the honor to report that Tadputri, Ongole, and Palcondah are ordinary towns about the same size as Cumbum, and in 1874-75 the average value of their supplied medicines with the added percentage was Rs. 63-11-10, while that of Cumbum Rupees 610-13-3, an excess of Rupees 547-1-5 over the average of those three healthy towns.

No. 32. ORDER THEREON, 4th October 1875, No. 1950.

It appears from the information afforded by the Surgeon-General that the value (Rupees 611) of the medicine supplied to the Cumbum Municipality for 1874-75 was abnormal. The average value for three years (from 1871 to 1873) did not exceed Rupees 250, while the average value to similar towns in ordinary circumstances was Rupees 65 only.

2. The Governor in Council resolves, however, as a special case, to sanction the gratuitous supply of the medicine to the Cumbum Municipality to the value of Rupees 200 for average years, and will be prepared to add to the supply on due cause being shown.
