No. 48. Read the following Proceedings of the Board of Revenue, dated 27th September 1875, No. 8761 (Miscellaneous):—

Read the following letter from R. J. MELVILLE, Esq., President of the Local Fund Boards, Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 11th September 1875, No. 133:—

I have the honor to forward, herewith, copy of Resolution, No. 7, passed by the Local Fund Board of the Chingleput Circle, at the meeting held on the 28th ultimo, and to request with reference to it that sanction may be obtained for the establishment of a Dispensary experimentally at Madurantakum.

2. The cost of the institution for the remaining six months of the current official year is estimated at Rupees 300, and if the proposal is approved, I request that this sum may be sanctioned from the General Fund balance of last year.

Copy of Resolution, No. 7, passed by the Chingleput Circle Board at their Meeting held on the 28th August 1875.

The members are of opinion that it is most advisable to establish a Dispensary at Madurantakum, as there is at present no medical aid available throughout the whole taluq. They resolve therefore to open one experimentally at that place, which is the principal station of the taluq. The first thing to be considered is what building is available at present, and it appears that there is a house there belonging to one of the members of the Local Fund Board, S. Kristnyengar, which he states he is willing to rent at 7 Rupees a-month. This is reported to be a suitable building, and might be used for the present as a Dispensary, as there is ample accommodation in it for in-patients if necessary, though, as a general rule, only out-patients will be treated for the present. The establishment should consist of an Hospital Assistant, a ward cooly, and a sweeper. The pay of the Hospital Assistant should not exceed Rupees 25 a-month; the ward cooly's would be about 6 Rupees; and that of the sweeper would be 4 Rupees a-month. The Board resolve to advertise in the Fort St. George and District Gazettes for a competent Hospital Assistant, or a pensioned Dresser. The Board are of opinion that the expense of establishment for the remaining six months of the current official year, including house-rent and contingencies, may be set down at 300 Rupees, and that the cost of the necessary medicines, instruments, and furniture to start with might be roughly estimated at not more than Rupees 500. They resolve to apply through the President for sanction of the Board of Revenue for an allotment of the total amount, *viz.*, Rupees 800 for the remainder of this year, out of the General Fund balance of last year.

Submitted for the sanction of Government.

2. The Board observe that it is proposed to advertise for a Hospital Assistant or pensioned Dresser. The Surgeon-General is requested to state whether an officer of the former class is available.
