Local Funds—Education.

No. 64. Read the following Proceedings of the Board of Revenue, dated 30th September 1875, No. 8870 (Miscellaneous):—

Read Proceedings of the Director of Public Instruction, dated 3rd September 1875, No. 2046.

Read the following letter from J. KELSALL, Esq., President of the Local Fund Boards, Godavery District, to E. THOMPSON, Esq., M.A., Acting Director of Public Instruction, dated 24th July 1875, No. 307:—

I have the honor to request you will obtain the necessary sanction to transfer a combined school from Palevala to Billakurru.

2. Copy of a letter from the Deputy Inspector of Schools explains why this is necessary.

From the Deputy Inspector of Schools, Cocanada Circle, to the President of the Local Fund Boards, Godavery District, dated Amalapur, 21st July 1875, No. 654.

In returning, herewith, the enclosed petition of the Kottapetta School Managers praying that the establishment of a combined school at Palevala may be countermanded, I beg to inform you that, as stated in the petition, that village, is within a mile of the Kottapetta School. Kottapetta is the centre of several villages, and can boast of a Middle-class Grant-in-aid School which is well conducted; so there being another school at Palevala is sure to be prejudicial to the Kottapetta School, which has elementary classes corresponding to those of the proposed school, and where the Palevala boys are taught. Besides, other villages which are a little more distant may ask that their children should be taught within their precincts, which cannot be complied with.

2. The proper course in recommending places for combined or other schools seems to me to be to see that they are central and sufficiently far away from other schools, so that the latter are not disturbed.

3. I therefore have the honor to report that Palevala does not seem to be a proper place for the proposed combined school, and that I believe Billakurru to be a more suitable station for it.

Forwarded, for report, to the Acting Inspector of Schools, 1st Division.

MADRAS,
3rd August 1875.

EDMUND THOMPSON, M.A.,
Ag. Director of Public Instruction.

From the Inspector of Schools, 1st Division, to the Acting Director of Public Instruction, dated Rajahmundry, 26th August 1875, No. 960.

With reference to the enclosed letters forwarded to this office for report, I have the honor to state that I think the Kottapetta School Managers are justified in objecting to the opening of a "combined-system" school within a mile of their school. I therefore recommend that a school be established at Billakurru instead, a village which is stated by the Deputy Inspector of the Cocanada Circle to be suitable for such a school, and against which there is not the same objection as in the case of Palevala.

Recommended for sanction through the Board of Revenue.

(Signed) E. THOMPSON, M.A.,
Ag. Director of Public Instrn.

*Proceedings of the Madras Government, Financial Department,
7th October 1875.*

Submitted to Government.

2. On the understanding that the school to be transferred is not a private one, but was to be opened newly by the Local Fund Board, the Board support the recommendation. It was one of those sanctioned in G.O., dated 6th April 1875, No. 747.
