Read Budget Estimate from the Assistant to the Accountant-General in charge of the Paper Currency Department for 1876-77, dated 1st October 1875.

No. 66. ORDER THEREON, 8th October 1875, No. 1980.

The Budget Estimate of Charges of the Paper Currency Department for 1876-77 amounts to Rupees 30,500. It exceeds the grant for the current year by Rupees 900, but is less than the actuals for 1874-75 by Rupees 1,458.

	Actuals. 1874-75.	Estimates. 1875-76.	Estimates. 1876-77.
	RS.	RS.	RS.
Charges	31,958	29,600	30,500

2. The actuals shown in the estimate do not agree with those in the accounts rendered by the Accountant-General, *viz.*:—

	RS.
Estimate	31,958
Accounts	32,523
Difference ...	565

This should have been explained.

3. It is observed that the provision for office furniture, Rupees 250, is repeated in the estimate for 1876-77. It is passed on the supposition that the allotment for the current year will not be utilized.

4. The increase in the estimate is explained by provision having been made for the annual increments to the pay of the Treasurer and Deputy Treasurer, amounting to Rupees 120 and 60, respectively, and for a sum of Rupees 600 in the item "Chests, Bags, and Locks" for "two large chests" required for the Calicut Circle for storing notes and coin, the estimate for which, with plan of the chests, must be submitted for the sanction of Government.

5. The Governor in Council passes the Budget Estimate for 1876-77, Rupees 30,500.
