**Local Funds—Choultries.**

No. 67. Read the following Proceedings of the Board of Revenue, dated 23rd September 1875, No. 2665:—

Read the following letters:—

From G. VANSAGNEW, Esq., President of the Local Fund Board, Nellore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 23rd June 1875, No. 730.

I REGRET to point out an inaccuracy in the aggregate estimated cost of the choultries and musaferkhanas given in my letter (paragraph 2) recorded in G.O., dated 4th March last, No. 491, resulting from the District Engineer having appended to the total figures of each *choultry* estimate the estimated cost of the corresponding musaferkhana besides furnishing separate estimates for each musaferkhana. The error was only detected on the return of the estimates to the District Engineer. The correct figures, which I request may be adopted for those given in paragraph 2 of the letter referred to, are now subjoined:—

| | | RS. |
|---|---|---|
| (1). | For a 2nd-class choultry at Nellorepallem ... ... ... | 7,280 |
| (2). | Do. musaferkhana at do. ... ... ... | 1,080 |
| (3). | Do. choultry at Chimakurti ... ... ... | 7,000 |
| (4). | Do. do. at Vemulapad ... ... ... | 7,600 |
| | Total... | 22,960 |

2. I have the honor accordingly to request that the amount, to which sanction has already been accorded in the Government Order quoted, may be revised, and the allotment of Rupees 28,880, already placed at the disposal of the Public Works Department, reduced to Rupees 22,960.

---

From the same Officer, dated 23rd August 1875, No. 928.

ADVERTING to the Revenue Board's Official Memorandum of the 28th ultimo, No. 1,208, I have the honor to forward, as requested, the estimates for the choultries and musaferkhanas particularized in the margin duly corrected.

| | | RS. |
|---|---|---|
| For a | 2nd-class choultry at Nellorepallem | 7,280 |
| Do. | musaferkhana at do. ... | 1,080 |
| Do. | choultry at Chimakurti.. | 7,000 |
| Do. | do. at Vemulapad.. | 7,600 |
| | Total ... | 22,960 |

2. As the Officiating Superintending Engineer requires the return of these estimates, I beg they may be retransmitted to this office as early as possible.

3. Only Rupees 7,363 and Rupees 688 are provided in the current year's supplemental Budget for the choultry and musaferkhana at Nellorepallem, no provision having been made therein for the choultries at Chimakurti and Vemulapad. The statement made in my letter, dated 23rd June last, No. 730, as to the total allotment of Rupees 28,880 for the works referred to, having been placed at the disposal of the Public Works Department, is incorrect.

ENCLOSURES NOS. 1 to 3.—4 Estimates.

In the first of the foregoing letters the President points out an inaccuracy in the total estimated cost of the choultries and musaferkhanas sanctioned in G.O., Financial Department, dated 4th March 1875, No. 491, and requests that correct figures may be adopted.

2. The Board were aware that the estimates for the choultries included provision for the musaferkhanas also as hereunder detailed, and noticed this point in paragraph 2 of their Proceedings recorded in the Order:—

| — | Choultry. | Musaferkhana. | Total. |
|---|---|---|---|
| | Rs. | Rs. | Rs. |
| Nellorepallem ... ... ... | 7,280 | 1,080 | 8,360 |
| Chimakurti ... ... ... | 7,000 | 2,400 | 9,400 |
| Vemulapad ... ... ... | 7,600 | 2,440 | 10,040 |
| Total ... | 21,880 | 5,920 | 27,800 |

But the mistake made was in submitting a separate estimate for the musaferkhana at Nellorepallem, though it was included in the estimate for the choultry at that place.

3. It now appears that the sanction originally sought was for three choultries at the places specified and for a musaferkhana at Nellorepallem at an aggregate cost of Rupees 22,960, for which revised estimates are now submitted.

4. The Board request that Government will now be pleased to accord their formal sanction to the revised estimates in supersession of that conveyed in the Government Order under reference.

5. The Board note that estimates, amounting to Rupees 940 and Rupees 970, for the construction of 2nd-class musaferkhanas at Chimakurti and at Vemulapad have been sanctioned by the Local Fund Board and that their sanction was duly communicated to the Controller in Board's Proceedings, dated 22nd April 1875, Miscellaneous No. 3,271.
