No. 83. Read the following Proceedings of the Board of Revenue, dated 21st September 1875, No. 2637 :—

Read the following letter from R. DAVIDSON, Esq., Acting President of the Local Fund Boards, Ganjam, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Russelcondah, 24th July 1875, No. 1,573 :—

WITH reference to paragraph 15 of the Board's Proceedings of the 19th December 1874, No. 3,712, I have the honor to submit, for the sanction of Government, the accompanying plans* and estimates, amounting to Rupees 9,630, for the construction of a road from Chicacole to Mafuzbunder.

* 2 Plans. 1 Specification.
2 Estimates. 1 Report.

2. They were duly passed by the Local Fund Board of the Chicacole Circle in the Meeting of the 14th ultimo. An extract from their Proceedings is herewith forwarded.

3. The estimate now submitted is different from that returned by the Board of Revenue with their Proceedings of the 27th November 1874, No. 3,448. The latter related to old line selected by Mr. Lever some years ago, and which it is proposed to abandon in favor of the new and high line recommended by Mr. Leggatt, and to which the estimate now submitted relates.

4. As Government in their Order, dated 18th February 1875, No. 261, Revenue Department, sanctioned the opening of an experimental salt station at Mafuzbunder, as revised plans and estimates for the construction of the road have been submitted by the District Engineer and passed by the Local Fund Board, as an allotment of funds for its construction has been made, and as this is reported to be the best season for pushing on with the earth-work, I have, on the recommendation of the Chicacole Local Fund Board, authorized the District Engineer to commence the work in anticipation of the sanction of Government, and trust that my action may be approved of.
