Local Funds—Education.

No. 115. Read the following Proceedings of the Board of Revenue, dated 4th October 1875, No. 8996 (Miscellaneous):—

Read the following letter from C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to E. THOMPSON, Esq., M.A., Acting Director of Public Instruction, dated Salem, 21st September 1875, No. 1166:—

I have the honor to enclose an extract from the Proceedings of the Local Fund Board of Salem, dated 17th instant, and to request that you will move the Board of Revenue and Government to sanction the transfer of the Local Fund School proposed to be opened at Poothoopoliem to Chinnappamputty. Poothoopoliem was originally selected, as it was the centre of a school union projected by the Special Deputy Collector. It contains a population of under 1,000 inhabitants, while Chinnappamputty, which is situated on the Imperial Trunk Road to Calicut, at a distance of four miles from the former village, has a population of 3,000 inhabitants. Further, the people of Poothoopoliem are averse to education according to the English method of teaching, and are unwilling to send their children to school; while at Chinnappamputty, the Deputy Inspector who visited both the places and the Taluq Revenue Officials report, the school will have a large attendance, as the majority of its residents are well-to-do men, who are sensible of the advantages of education.

2. I have therefore the honor to request that you will obtain an early sanction of the Government to the measure suggested, as no school has been opened at Poothoopoliem, and the Deputy Inspector is awaiting orders for opening one at Chinnappamputty.
