Assessment.

No. 123. Read the following letter from J. HUNTER-BLAIR, Esq., Collector of Madras, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 5th October 1875, No. 309 :—

In continuation of my letter, No. 236, dated 4th August last, I have the honor to request the sanction of Government for payment to the Municipality of a further sum of Rupees 54, being the assessment on the bungalow and garden bought from Rajarathna Naidu in Egmore, and forming part of the ground to be given to the Orphan Asylum Directors in lieu of the play-ground taken from them for the South Indian Railway Company. The bungalow and ground having been in the possession of the Railway Engineers, the Company's Agent was called upon to pay the cost of materials of the building as well as the municipal assessment. That officer, however, objected on the ground that, as the play-ground is to be given to the Company free of cost, and the bungalow and garden is to be given to the Asylum in lieu of the play-ground, the Railway Company were not bound to pay for the value of materials or the municipal assessment. I think he is right, and have accordingly demanded of the Company a rent of 60 Rupees per month for their occupation. The Government as owner will have to pay the assessment to the Municipality, and, as the budget grant is already expended, I request that sanction may be accorded for the payment of the sum noted above.
