Read again the following Proceedings of the Board of Revenue, dated 6th January 1875, No. 56 (Miscellaneous):—

Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Coimbatore, 15th September 1874, No. 217.

I find a balance of Rupees 791-3-8 in my accounts of Special Local Funds, minor head "Endowment Fund," though there is no institution under that head, all the chuttrums, &c., having been transferred to the Local Boards and Municipalities (*vide* G.Os., Financial Department, No. 412, of 31st August 1871, and No. 235, of 5th March 1872). The balance is made up of the following items, &c., *viz.*:—

	RS.	A.	P.
1. Surplus of receipts over expenditure in connection with the Oonjeeloor Chuttrum prior to the date of its transfer to the villagers under the sanction of G.O., No. 731, of 21st March 1868, communicated with Board's Proceedings, No. 2,290, of 28th March 1868	255	6	5
2. Surplus of receipts over expenditure in connexion with the Walliar Chuttrum prior to the date of its transfer to the Forest Department in G.O., No. 2164, of 24th July 1869, printed with Revenue Board's Proceedings, No. 5527, of 28th July 1869	125	7	6
3. Sale proceeds of the materials of musaferkhanas credited to this head from time to time	410	5	9
Total ...	791	3	8

2. I have the honor to propose that, with the sanction of Government, this sum may be made over to the Local Board, on whom has devolved the provision and maintenance of chuttrums since the introduction of the Local Fund Act. The Local Board have undertaken the construction of a chuttrum at Tirpoor at an estimated cost of Rupees 5,820, now three quarters finished, and another at Palavady estimated to cost Rupees 3,720, and they annually lay out upwards of Rupees 3,000 in repairing and maintaining these institutions; and, as the amount now under reference accrued in connexion with chuttrums and musaferkhanas, I trust the Board of Revenue will support my proposal to transfer the same to Local Funds.

In the general statements of receipts and charges under Special Local Funds for 1872-73 and 1873-74 furnished by the Accountant-General the balance in favor of the Endowment Fund of the Coimbatore District is shown as Rupees 728 and not Rupees 791-3-8 as exhibited in the foregoing letter. The Collector will explain which of the two sums is correct to enable the Board to submit, for the

orders of Government, the question of the transfer of the balance to the Local Fund Board.

Secretary.

Read also the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Coimbatore, 24th July 1875, No. 232:—

With reference to Proceedings, No. 56, of 6th January 1875, I have ascertained from the Accountant-General that the difference between his balance and that of my account with the Board under Endowment Fund is the proportional charge for Public Works Supervision and Tools and Plant debited against Endowment Fund on account of a latrine constructed by Department of Public Works Agency at the lungerkhana building at Coimbatore at a cost of Rupees 220-0-11 in 1871-72. As this institution, then under "Endowment Fund," has since been transferred to the Coimbatore Municipal Commissioners, I am addressing them for a refund of the amount from the lungerkhana funds. I have the honor to request that the sanction of Government may be obtained for the transfer of the full sum of Rupees 791-3-8 as proposed in my letter, No. 217, of 15th September 1874, to the Local Fund Board.

	Rs.	A.	P.
Public Works Supervision	61	0	0
Tools and Plant	2	4	0

Submitted for the favorable consideration of Government.

2. The Collector proposes to make over to the Local Fund Board a balance of Rupees 791-3-8 remaining, according to his accounts, in favor of the Endowment Fund of the district under Special Funds made up of the following items:—

	Rs.	A.	P.
Surplus receipts of the Oonjeeloor Chuttrum prior to its transfer to the villagers as per G.O., Revenue Department, dated 21st March 1868, No. 731	255	6	5
Surplus receipts of the Walliar Chuttrum before its transfer to the Forest Department (*vide* G.O., Revenue Department, dated 24th July 1869, No. 2164)	125	7	6
Sale proceeds of musaferkhanas credited to the fund from time to time	410	5	9
Total...	791	3	8

3. According to the Accountant General's books, the balance in favor of the Endowment Fund on the 31st March 1874 was only Rupees 728, thus making a difference of Rupees 63-3-8, which is stated to be the proportional charge for Public Works Supervision and Tools and Plant debited against the fund in 1871-72 on account of a latrine constructed by the Public Works Department at the lungerkhana building at Coimbatore. The Collector appears to have placed

himself in communication with the Municipal Commissioners for the recovery of the latter amount.

4. There were fifty-three chuttrums and one lungerkhana belonging to the district. Of the former, fifty-one* were made over to the Local Fund Board and the remaining two† to the Erode Municipality. The lungerkhana‡ was transferred to the Coimbatore Municipality.

† G.O., Financial Department, dated 14th December 1871, No. 795.
