No. 170. Read the following letter from J. R. COCKERELL, Esq., Commissioner of the Nilgiris, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 13th September 1875, No. 70:—

In my letter in G.O., Revenue Department, dated 5th December 1874, No. 1504, forwarding the Budget Estimate for the Botanical Gardens for 1875-76, I included in the Budget an increase of 10 Rupees per mensem to the salary of one of the Apprentices. I stated: "The Superintendent writes to me Apprentice Ramanjulu Naidu has been employed in the gardens as writer for eight years and eight months on a salary of Rupees 20 per month. His work has very considerably increased during the past three years, and he has had no increase of salary since the date of his entertainment. He is now thoroughly acquainted with the work in the office and seed-house, and is most useful to me in attending to orders for plants and seeds."

2. In the Order on the Budget the Government remarked: "Unsanctioned items on account of establishment cannot be admitted in the Budget Estimate, and the Commissioner should have addressed Government separately on the subject before the submission of that document. The increase will therefore be struck out."

3. I have now the honor to submit the recommendation in the form desired. Mr. Jamieson considers Ramanjulu a "most valuable" Assistant.

Transferred to the Financial Department for disposal.
