No. 193. Read the following Proceedings of the Board of Revenue, dated 27th September 1875, No. 8750 (Miscellaneous):—

Read the following Proceedings of the Director of Public Instruction, dated Madras, 8th September 1875, No. 2092.

Read the following :—

From J. KELSALL, Esq., President, to E. THOMPSON, Esq., M.A., Acting Director of Public Instruction, Madras, dated Cocanada, 15th July 1875, No. 300.

I have the honor to request you will obtain the sanction of Government for closing the schools shown in the margin.

1 Kamavarapucota.
1 Vasantavada.
1 Bhimadole.

2. A letter from the Deputy Inspector of Schools explains why this is necessary, and the Local Fund Board approve of his suggestion.

From K. SANGEVARAO, Deputy Inspector of Schools, to the Vice-President, Local Fund Board, Ellore, dated 28th June 1875, No. 152.

Sending herewith a copy of my letter, No. 108, I have the honor to state that the schools in the Ellore Taluq which were recommended for abolition cannot be dealt with otherwise for the reasons given below.

2. I examined the school at Kamavarapucota on the 12th instant when it contained 5 boys on the rolls against 12 in my letter No. 108. Even these boys attend the school very irregularly and do not at all show a liking for the school. Again, instead of the one pial school that existed in the village when I visited it in September last there are at present two attended by about 40 boys.

Vasantavada Master wrote to me in the beginning of the current month that the number attending his school is gradually decreasing and wanted me to write to the villagers to strengthen the school (sorry to say that his letter is at Ellore).

Bhimadole.—There is no increase in the numbers, and I can firmly say that the school will not thrive, and Pedapadu is already closed.

3. Owing to the hardworking of the Masters, the schools might produce fair results even with limited attendance.

4. This being the case I would again urge the abolition of the schools.

5. My attempts to bring the schools into a good condition proved a failure. The President's letter is herewith forwarded.

Referred for report to the Acting Inspector of Schools, 1st Division.

MADRAS,
27*th July* 1875.

(Signed) E. THOMPSON,
Acting Director of Public Instruction.

From the Inspector of Schools, 1st Division, to the Director of Public Instruction, Madras, dated Rajahmundry, 30th August 1875, No. 997.

With reference to the enclosed papers referred to me, I have the honor to state that as the schools specified in the margin of Mr. Kelsall's letter seem in a languishing condition, and as the Deputy Inspector seems to consider their case

hopeless, I do not think it advisable to keep them up, and would therefore recommend their being closed at once.

The closing of these schools is recommended.

(Signed) E. THOMPSON,
Acting Director of Public Instruction.

To the Chief Secretary to Government, through the Board of Revenue.

Submitted for the sanction of Government.

2. These are further instances of the successful competition of pial schools with schools established and directly managed by Local Fund Boards.
