Extract from the Proceedings of Government in the Military Department, No. 163 (Pay and Allowances), dated 6th July 1875, and enclosures, relating to a question whether the rule in Financial Resolution No. 739, dated 13th May 1875, regarding the adjustment of the pay of officers transferred for service under a Native State, &c., should not apply to Military Officers when proceeding from military to civil duty, or *vice versâ*.

RESOLUTION.—In supersession of all orders to the contrary, the Governor-General in Council is pleased to decide that the allowances of a Military Officer transferred from military to civil duty shall be paid by the Civil Department from the date on which he gives over charge of military duty, and that when a Military Officer is transferred from civil to military duty, his allowances shall cease to be payable in the Civil Department from the date on which he relinquishes charge of his civil duty.

This same rule will also apply to the case of an officer transferred from any department to another department.

This order does not interfere with the rule by which, when the consolidated pay of a Military Officer in civil employ is less than his staff corps or other military pay, the difference between the consolidated and military pay is drawn in the Military Department.

ORDER.—Ordered that this Resolution be distributed for information and guidance as follows*:—
