No. 201. Proceedings of the Board of Revenue, dated 27th September 1875, No. 2700:—

Read again Board's Proceedings, dated 13th August 1875, Mis. No. 7,366.

Read also the following letter from W. LOGAN, Esq., Acting President of the Local Fund Boards, Malabar, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Calicut, 26th August 1875, No. 423:—

With reference to the Proceedings of the Board of Revenue, dated 13th instant, No. 7,366, I have the honor to report as follows:—

Question No. 1.—There is no separate Police hospital at Manjeri; the Police sick are treated in a separate ward attached to the Civil Dispensary, and are looked after by the Hospital Assistant.

Question No. 2.—In their Order, No. 1,173, dated 19th September 1868, Government sanctioned the allowance of Rupees 10 to the Hospital Assistant; but this allowance was in consideration of the extra trouble in attending *not* the Police but the *Civil Dispensary* patients.

The Local Fund Board have therefore to contribute only *Rupees* 10 and not *Rupees* 40, as they have taken charge of the Civil Dispensary only.

I regret that in the statement which accompanied my letter, No. 275, dated 26th June last, only Rupees 10 per mensem instead of Rupees 40 per mensem was shown to be refunded from Provincial Funds. The error originated in the Treasury Account Department losing sight of the above Government order.

A revised statement is enclosed, from which it will be seen that the sum to be refunded to Local Funds is Rupees 2,725-6-2, instead of Rupees 1,225-6-2 as shown in the former statement.

Question No. 3.—The Hospital Assistant submits monthly a separate bill for charges incurred in connection with the Police sick, and the figures shown in the statement were taken from the office copies of the bills retained by the Hospital Assistant.

The nature of the charges are similar to those contained in the enclosed bill for July last.

Enclosure No. 1.—Copy of Statement.

Enclosure No. 2.—Copy of Bill.

Submitted for the orders of Government.

2. When a Civil hospital was built at Manjeri, the Police hospital at Malliapuram with its establishment was transferred to Manjeri, and in consideration of

G. O., Public Department, dated 19th September 1868, No. 1,173.

the additional work thrown upon the Dresser, a special allowance of Rupees 10 per mensem was granted to him.

3. The hospital was transferred to the Local Fund Board at the passing of the Local Funds Act in April 1871, and the Local Fund Board have since paid all the charges connected with it. They now claim Rupees 2,765-6-2, being the arrears of Rupees 45 per mensem, the original salaries of the Hospital Assistant and Attendant, and outlay on contingent charges connected with the Police sick, of which it appears separate account has been kept.

4. The Local Board are certainly entitled to some contribution from Government on account of the Police, but the Board are of opinion that the claim that they have made, based upon an order which was entirely superseded on the introduction of the Local Funds Act, should be disallowed. They see no reason why Government should pay more than in other similar cases, *viz.*, one-fourth of the salary of the medical subordinate; and this might be paid in arrears from the beginning of 1871-72. Government may perhaps see fit to grant some further contribution for medicines, &c., but if so, it will be a matter of grace.

5. The Board recommend that Rupees 600 be paid for the four years 1871-72 to 1874-75, and that from the beginning of 1875-76, the usual contribution of one-fourth the salary of the Medical Subordinate, or Rupees 150, be sanctioned. The charge will, the Board presume, fall upon the Police budget.

No. 202. From Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Ootacamund, 9th October 1875, No. 4997.

With reference to Endorsement, No. 527, dated 4th October 1875, on the Proceedings of the Board of Revenue herewith returned, I have the honor to state that at other Local Fund Dispensaries where Police are treated the Government pay a contribution of 25 per cent. of the salaries of the Medical Subordinates which covers all charges, and that there seems to be no reason why this principle should not be made applicable to the Munjeri Dispensary as suggested by the Board of Revenue. Arrears of one-fourth of salary would seem to be due to the Local Funds Board.

Proceedings of the Madras Government, Financial Department,

No. 203. ORDER THEREON, 26th October 1875, No. 2085.

* Rupees 40 per mensem.
