Proceedings of the Madras Government, Financial Department,
26th October 1875.

Local Funds—Medical.

No. 211. Read the following Proceedings of the Board of Revenue, dated 27th September 1875, No. 2690 :—

Read the following letter from W. D. HORSLEY, Esq., President, Local Fund Boards, Cuddapah District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cuddapah, 26th August 1875, No. 471 :—

I HAVE the honor to submit copy of the Vice-President's letter, No. 168, of 14th August 1875, requesting to obtain sanction of the Revenue Board of the allotment of Rupees 24,040 for the works mentioned in the enclosed resolution passed by the Cuddapah Circle Board on the 3rd August 1875, and to request that the Revenue Board will be good enough to authorize the Local Fund Board to proceed with the works during the current official year.

ENCLOSURE No. 1.

From A. J. B. ATKINSON, Esq., Vice-President, to W. D. HORSLEY, Esq., President, Local Fund Boards, Cuddapah Disirict, dated 14th August 1875, No. 168.

IN reference to Resolution No. 115 of 3rd instant of this Circle Board, of which a copy is attached, I have the honor to request that you will move the Board of Revenue to make the allotments asked for from the General Fund Balance of the Circle for the works specified below.

2. A Dispensary at Pulivendala, Rupees 3,370. The popularity of the first dispensary at Proddatur led to a second at Budwail. Pulivendala on account of its position has the third claim. The amount asked for is that which was sanctioned for the first year at Proddatur and Budwail. I have ascertained that a suitable house can be obtained at a moderate rent.

3. A dispensary at Chitwail, Rupees 3,370. The same remarks apply to this item. The place was chosen by the Cuddapah Board as having the fourth claim to a dispensary. It lies in a valley cut off from the main part of the district by a river and by hills. I am in communication with the Deputy Tahsildar regarding a building.

4. A chuttrum at Chennoor, Rupees 5,000. This item was provided in the current year's Budget, but struck out for want of funds. Regarding the place, I propose to lay before the Board a plan and specification of similar buildings made in the Salem District, which are models of convenience in every respect.

5. A Chuttrum at Budwail, Rupees 2,500. The site for this building is proposed at the junction of the Cuddapah to Cumbum *viâ* Sidhout and Kazipet to Nellore frontier roads.

6. A chuttrum at Duvvur, Rupees 2,500. This place was selected at the Board's last meeting. It lies on the Cuddapah to Kurnool road and at the junction of the Nundialempet to Proddatur road, and is about 28 miles from Cuddapah, with a population of 4,132 inhabitants.

7. A level crossing between Poli tank bund and Rajampet, Rupees 800. This item is entered to put down a stone flooring which has been destroyed of late years, and which is now impassable in wet weather.

8. A school-house at Pulivendala, Rupees 2,000. This item was entered at the request of the Inspector of Schools, the present building being only a mud hut.

9. The next item, Rupees 2,000, is for results grants. The Budget grant for the year is Rupees 6,000, but Rupees 2,000 of that were taken to pay grants to schools examined last year, but only passed after the year had closed.

10. The last item of Rupees 2,500 is for a chuttrum at a site to be selected near the Kurli Ghaut in the Pulivendala Taluq. This ghaut has to be crossed on the Maddanur to Kadiri road *viâ* Pulivendala.

for President.

ENCLOSURE No. 2.—Extract from Proceedings of Local Fund Board.

IN this letter allotments, amounting to Rupees 24,040, are asked for.

2. Of this sum, Rupees 14,500 are for buildings for which estimates have not been sanctioned, nor projects approved; the Board, therefore, are unable to make the proposed allotments for these works. It is observed from the Resolution of the Local Fund Board that the work is to be carried out by a Committee of the Local Fund Board. The Board are decidedly of opinion that extensive buildings of the kind should be erected by the Professional Department.

	Rs.
4 Chuttrums	12,500
1 School-house	2,000
Total ...	14,500

3. Explanation is required as to the nature of item No. 6. It is not clear whether the work appertains to Road or General Funds.

4. An allotment of Rupees 2,000 for results grants is sanctioned.

5. The balance of the proposed allotment consists of provision for the expenses of dispensaries to be opened apparently in rented buildings at Pulivendala and Chitwail. These are to be on the same scale as the Proddatur and Budwail dispensaries, but the grant made is sufficient for the whole year, though the dispensaries cannot be in operation more than six months. The Board would have thought that a place of more importance than Chitwail might have been selected; but the Local Board are probably the best judges.

6. The sanction of Government will be requested for the establishment of these institutions, and the Surgeon-General will be asked to state whether Medical Subordinates can be supplied.

7. The necessary allotments will be made as soon as it is certain that they will be wanted.
