*Proceedings of the Madras Government, Financial Department,
2nd February 1875.*

Municipal—Bye-laws.

No. 28. Read the following letter from J. R. COCKERELL, Esq., President of the Municipal Commission, Ootacamund, to the Honorable D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Ootacamund, 9th January 1875, No. 3:—

With reference to G.O., 3rd December 1874, Public Department, No. 2027, desiring to be further informed of the reasons which induced the Ootacamund Municipal Commissioners to propose a bye-law regulating the erection of bamboo matting and wattle enclosures, I have the honor to state that Section 120 of Act III. of 1871 only provides for the renewal of houses in a dangerous condition, but does not authorize the prohibition of temporary buildings, though Section 148 requires thatches should be renewed only with the permission of the Commissioners.

2. These rules do not meet the case of Ootacamund in respect of matting and wattle enclosures within the compounds of native householders, at which the bye-law is aimed, and which are used by the people as latrines and for other insani-
tary purposes.

No. 29. ORDER THEREON, 2nd February 1875, No. 208.

The Government cannot accord their sanction to the proposed bye-law,
(True Extract.)

Acting Chief Secretary.

To the President of the Municipal Commission, Ootacamund.
