No. 217. Proceedings of the Board of Revenue, dated 1st October 1875, No. 2743.

Read the following letter from C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Salem, 8th September 1875, No. 1,121:—

I HAVE the honor to forward, for submission to Government for orders in reference to their Proceedings, No. 1,621, dated 26th September 1874 (copy of which is enclosed), the accompanying copy of Proceedings of the Local Fund Board of Oossoor under date the 19th August last, declining to pass a sum of Rupees 65, being the travelling allowance of the Zillah Surgeon for visiting the Local Fund Dispensary at Dharampury in that Circle.

2. The Government Order in question refers to *all the dispensaries in the district* and was passed on a letter written by me as President of both the Salem and Oossoor Circle Boards in reference to an order passed by Government on a proposal of the Local Fund Board of the District of Canara. The proposal emanated neither from the Salem nor from the Oossoor Circle Board.

3. The statement of the Local Fund Board that "they have no funds available" seems to me to be frivolous, as there are ample funds in the General Fund Balance to meet the present charge of Rupees 65.

4. The opinion expressed by the Oossoor Board that their dispensaries should be inspected by the medical member of the Local Board is not feasible, as Dr. Wells is in medical charge of the Remount and is under the Military Department. I would, therefore, again urge the Government to make the Zillah Surgeon a member of the Oossoor Board, which would obviate any further difficulties arising in reference to the Zillah Surgeon and that Circle Board.

5. A duplicate of the bill is enclosed for the information of the Board of Revenue and Government.
