Local Funds—Medical.

No. 1. Read the following Proceedings of the Board of Revenue, dated 1st October 1875, No. 2739:—

Read the following letter from H. S. THOMAS, Esq., President of the Local Fund Boards, Tanjore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Vallum, 26th August 1875, No. 628 :—

In forwarding herewith an extract from the resolution of the Local Fund Board of the Tanjore Circle passed at their last meeting, sanctioning a sum of Rupees 590-10-1, being an additional contribution payable from Local Funds to the Municipal Commissioners at Manargudi on account of the dispensary situated therein, I have the honor to request that the Board will be pleased to accord their sanction for the same.

2. The necessity for applying for this allotment may be explained as follows:—

The amount of contribution payable from Local Funds for the maintenance of the dispensary for the year 1873-74, and sanctioned in the Local Fund Budget for that year was Rupees 1,810, whereas that entered in the Municipal Budget sanctioned in G.O., 1st April 1873, No. 435, was Rupees 2,850, owing to the former sum having been represented by the Municipal Commissioners to be insufficient to meet the proposed charges incidental to the upkeep of the dispensary.

An application was, therefore, made to the Local Fund Board to sanction the payment of the sum of Rupees 1,040 to the Municipality over and above their Budget provision to make good the deficiency, and the Board sanctioned this sum provisionally for that year only on condition that any balance that might remain unexpended may be credited to Local Funds. A copy of this resolution is also enclosed for the Board's perusal, and the additional allotment now applied for was the amount of expenditure actually incurred on account of the dispensary as per enclosed copy of a statement received from the Vice-President of the Municipal Commission.

Enclosures Nos. 1 and 2.—Extracts from Proceedings of Local Fund Board.

Enclosure No. 3.—Statement of Receipts and Expenditure of Manargudi Dispensary.

Submitted for the orders of Government.

2. In G.Os., dated 5th December 1871, No. 742, and 23rd March 1872, No. 354, Financial Department, the Local and Municipal Boards in the Tanjore Circle were directed to confer with a view to mutual agreement as to the sums to be contributed from Local Funds for Municipal Dispensaries. In consequence, a sum of Rupees 1,810 was agreed to for the Manargudi Dispensary, and this has been entered in successive Local Fund Budgets ever since.

Board's Proceedings, dated 17th June 1872, No. 1,020.
G.O., Financial Department, dated 5th July 1872, No. 872.

3. In the Municipal Budget for 1873-74 the Commissioners entered Rupees 2,850 as the local contribution, and claimed accordingly Rupees 1,040 from the Local Fund Board, who appear to have assented provisionally. A claim has now been preferred for Rupees 590-10-1, that being the sum which is required to make up the actual expenditure of the year, and sanction is asked for this additional contribution.

3. The Board are of opinion that it should be disallowed, and that the local contribution should in no case exceed half the net expenditure after the receipts from all sources other than municipal and local contributions are deducted. On the statement of actual expenditure submitted it appears that the total cost was Rupees 5,248-0-5, and the receipts Rupees 1,847-6-4. The net cost was, therefore, Rupees 3,400-10-1, and the contribution already made exceeds half this sum. The Commissioners desire to contribute only Rupees 1,000, and want the Local Board to pay Rupees 2,400-10-1.
