Read again—

Financial Resolution, No. 5391, dated 11th September 1874, directing the discontinuance of the half-yearly returns of Ordnance Stores rendered to the Ordnance Examiner by the Civil Department in the Bengal Presidency.

Read also—

An office memorandum from the Military Department, No. 100 (Accounts—Ordnance), dated 15th April 1875, forwarding copy of a letter from the Controller of Military Accounts, and inquiring whether the receipts and issues of Ordnance Stores in the Civil Department are audited under departmental arrangements.

Observations.—The Governor-General in Council observes that it is desirable that provision be made for the audit in the Civil Department of valuable ordnance and other stores and movable property in the custody of Civil Officers. For this purpose, His Excellency in Council desires that an inventory should be submitted to the Accountant-General of all stores in the custody of Civil Officers, excepting fixtures, ordinary office furniture, such as benches, tables, chairs, racks, almirahs, wooden and tin-boxes, and books and articles of petty value. Every increase or decrease of any kind of stock, other than those specified above, should be reported yearly to the Accountant-General, as well as recorded in the inventory to be kept by the Civil Officer among the records of his office. And every fifth year a new inventory, with full details, should be prepared and submitted to the Accountant-General. The form of the inventory and the procedure to be followed by Civil Officers in its preparation, and by the Account Department in its audit, will be prescribed by the Comptroller-General.

It will be understood that this Resolution does not apply to stamps, opium or other stores supplied for sale in regard to which there may be independent arrangements for audit, or to stores supplied for consumption, such as stationery.

Order.—Ordered that the foregoing Resolution be communicated to the Military Department for information and further orders; to the Comptroller-General for the issue of the necessary instructions; to the several Local Governments and Administrations for information and further orders; and to the several Accountants-General and Deputy Accountants-General in independent charge for information and guidance.
