The Governor-General in Council is pleased to determine that, in future, the Comptroller-General (as regards the India General and Political books), and each Accountant-General and Deputy Accountant-General in independent charge, shall submit, through the Local Government, a yearly statement of the income, expenditure, and balance of every Local or other independent Fund upon his books, with a few brief remarks upon the finance of each, with the object of showing, *first*, that each fund is solvent; *secondly*, that it is applied to the purposes for which it is intended; *thirdly*, that it is not overlooked, but is being fully utilised; *fourthly*, that its continuance is expedient. In submitting these statements to the Government of India, Local Governments and Administrations should add their own remarks thereon. The first of these statements should be submitted for 1875-76.
