Resolution by the Government of India, Financial Department, dated 29th June 1875, No. 1629.

The Governor-General in Council learns that an Assistant Commissioner of the British Burmah Commission is employed by the Chief Commissioner as his Personal Assistant. His services are said to be essentially necessary for the efficient and satisfactory performance of public duty. But as young officers reserved in a province for training for district work cannot be detached for work of the kind without the sanction of the Government of India, the Governor-General in Council is pleased to authorise the Chief Commissioner of British Burmah to avail himself of the services of a Junior Assistant Commissioner, when necessary, and to employ him on his ordinary pay as the Chief Commissioner's Personal Assistant, on the distinct understanding that no increase to the strength of the Burmah Commission is involved in the arrangement.

---

ORDERED, that a copy of this Resolution be sent to the Home Department for communication to the Chief Commissioner, and (with a copy of the Revenue Department's No. 145, dated 21st May 1875), to the Accountant-General, British Burmah, for information and guidance.

---

ORDER.—Ordered, that a copy of the above Resolution be sent to the several Local Governments,* Accountants-General,* and Deputy Accountants-General in independent charge for information.

* Except the Chief Commissioner and Accountant-General,* British Burmah.
