No. 1249.

No. 64. MEMORANDUM.

In G.O., Revenue Department, No. 1422, of the 27th September 1875, it is stated that G.O., Public Works Department, No. 3278, of the 19th November 1874, must be cancelled absolutely, on the ground, apparently, that Fishery rents are not creditable to Irrigation Revenue, Miscellaneous, but to Local Funds. It seems to be necessary to point out, however, that the order to be cancelled does not relate to Fishery rents, specially, and indeed does not mention them; that there are many other items of Miscellaneous Revenue which are properly creditable to Irrigation, and that, consequently, what appears to be required is to except Fishery rents from the operation of that order, rather than to cancel it.
