

Budget Estimate.

No. 72. Read the following letter from the Hon. V. RAMIENGAR, C.S.I., Inspector-General of Registration, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 29th October 1875, No. 192-A:—

I have the honor to submit my Budget Estimate for 1876-77. It has been forwarded to the Accountant-General with reference to G.O. of the 13th October 1873, No. 1468, in order that the actuals might be corrected so as to correspond with the Treasury accounts, and I submit the Accountant-General's memorandum. The slight difference of 10 Rupees in the receipts, to which he refers in the footnote, is due to a penalty of Rupees 12-14-0 levied in the Salem District on insufficiently-stamped documents being erroneously credited to Registration, and to a small sum of Rupees 1-11-6, which properly belongs to Registration, being credited to another head, in the Treasury accounts.

2. Under the head of "Receipts" I have allowed for the usual increase of 20,000 Rupees.

3. Under the head of "Expenditure" there is an increase of 440 Rupees in my own office, arising from the progressive increase in the salaries of the Manager and Clerks, from an increase of 10 Rupees in the rent of the office building, and from the entertainment of a night peon and sweeper under the Orders marginally noted.

G.O., dated 17th April 1875, No. 907.
" " 18th May " " 1148.

4. For the office of the Registrar of Madras the estimate is the same as for last year. The slight increase of 15 Rupees is due to the increment to which one of the Clerks will be entitled for a portion of the year under the system of progressive salaries.

5. The item "Salaries, &c., of Mofussil Registrars and Special Sub-Registrars" presents a very large increase. This is due chiefly to the scale of salaries recently sanctioned for Special Registrars and Special Sub-Registrars, to the addition made to the number of special offices, and to the continuance of the temporary establishment in South Canara lately sanctioned.

G.O., dated 24th February 1875, No. 429.
" " 22nd May " " 1209.
G.O., dated 7th October 1875, No. 2179.

6. Under the head of "Commission" there is a decrease of 19,000 Rupees, which is also the result of the recent changes in the organization of the department. Under the scheme sanctioned Special Registrars and Sub-Registrars draw for themselves a commission of twenty per cent. on the collections after the first 30 Rupees and twenty per cent. more is expended in remunerating the establishments. This is, on the whole, a reduction on the commission they were formerly drawing, which amounted to fifty per cent. In the commission allowed to official Sub-Registrars and their establishments, too, there is a saving of five per cent. according to recent changes, but, on the other hand, wherever the percentage allowed to the Clerk yields less than 10 Rupees, the deficiency is made good from the general collections. Allowing for these changes, the total payment under the head of "Commission" is calculated at 1,52,000 or 19,000 Rupees less than the estimate for the current year.

7. The only items calling for notice under the head of "Miscellaneous" are—
(1), the travelling allowance for Special Registrars, which shows an increase, because there is already an addition of two to this class of officers, and (2), the item of refunds, which, with reference to the actuals of 1874-75 and the estimated increase in the collections, has been set down at 2,500 Rupees.

No. 73. ORDER THEREON, 15th November 1875, No. 2199.

The Inspector-General of Registration has in his letter above recorded explained the variations in the Budget Estimates of Receipts and Charges for 1876-77.

2. The estimate of Receipts shows an advance of Rupees 20,000 over the estimate for 1875-76 and exceeds the actuals for 1874-75 (on which it seems to be based) by Rupees 8,211. The estimate for Rupees 3,80,000 is accepted.

Mofussil Registrars and Special Sub-Registrars	84,480
Commission	1,52,000
Miscellaneous	16,850
Total	2,85,773

They exceed the actuals for 1874-75 by Rupees 39,489 and the grant for the current year by Rupees 29,423, consequent on the reorganization of the department sanctioned in the Orders cited in the margin, and increases in sundry other items noted by the Inspector-General.

ment sanctioned in the Orders cited in the margin, and increases in sundry other items noted by the Inspector-General.

4. The charges for which no money payments are to be made amount to Rupees 23,455, in which is included Rupees 6,750 for "Registration Office Buildings." The object of this is not understood, inasmuch as all charges in connexion with buildings for the Registration Department find a place in the Public Works Budget.

5. Excluding Rupees 6,750 and deducting all charges (as shown in the estimate) from the probable receipts, there will be a balance of Rupees 77,522.
