*Proceedings of the Madras Government, Financial Department,
3rd February 1875.*

Civil Pension Code.

No. 40. Read the following Resolution of the Government of India, Financial Department, dated Fort William, 15th January 1875, No. 256 :—

Pensions and Gratuities.

There is reason to believe that an impression exists that an officer who submits an application for invalid pension must be immediately removed from the service.

2. The Governor-General in Council deems it necessary to point out that Rule I. under Section 52 of the Civil Pension Code does not require the removal of such an officer until a medical certificate is submitted.

Ordered that this Resolution be distributed, for information and guidance, as follows:—

To the several Departments of the Government of India.

To the several Local Governments and Administrations.

To the Comptroller-General and to the several Accountants-General and Deputy Accountants-General in independent charge.

To the several Chiefs of Departments administered by the Government of India in the Financial Department.
