**MUNICIPAL—REPORTS.**

No. 21.      Proceedings of Government, 7th January 1875, No. 21.

The Governor in Council observes that the Annual Report of the Municipality of Madras for 1873-74 has not yet been received, though considerably overdue. Indeed, excepting for the year 1871-72, when Colonel Ritherdon was officiating as President of the Commission, no Report whatever has been received for the last four years.

2. Mr. Loch will understand that His Excellency in Council views these repeated acts of negligence with extreme dissatisfaction. He will be required to submit the Report for the past official year without any further delay; and he is informed that very serious notice will be taken of any future non-compliance with the Standing Orders on this subject.

G.O., 24th October 1871, No. 1612, Public.

" 4th June 1873, " 777, Financial.

" 12th July " " 975, "

3. The special Reports long since called for on the Revision of the Act and the Reorganisation of the Municipal Establishment are also very unreasonably delayed.
