No. 78. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, Fort Saint George, dated Simla, 13th October 1875, No. 641, A.G:—

Account—General.

The Accountant-General, Public Works Department, having laid before the Government of India copy of the orders* of the Government of Madras deciding that the sum of Rupees 637 for land taken up for a Military Burial-ground at Cannanore should be debited to Imperial Funds on the ground that the charge relates to a period anterior to the introduction of the Provincial Fund arrangements, I am directed to say that when those arrangements were introduced, the Government of India made no deduction from the allotments assigned to cover arrear charges. Those charges ought obviously to be adjusted in the same way as current charges, and as Local Governments have been allowed to take advantage of receipts and income due prior to the introduction of the Provincial Fund scheme, it is only legitimate that Provincial Funds should pay for charges due before but not paid till after the introduction of that scheme. I am therefore to request that the Government of Madras may be moved to provide for the charge under reference by a debit to Provincial Funds.

FROM

THE HON. D. F. CARMICHAEL,
Officiating Chief Secretary to the Government of Fort St. George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to transmit, for the favorable consideration of the Government of India in the Financial Department, the papers marginally noted relative to a sum of Rupees 636-2-5, being a portion of the compensation awarded for land acquired in 1863 for burial grounds at Cannanore.

Proceedings of Madras Government, Public Works Department, dated 14th July 1875, No. 2004.
Letter from the Government of India, Public Works Department, dated 13th October 1875, No. 641, A.G.

2. The aggregate amount of compensation was Rupees 10,576-12-1, of which Rupees 9,940-9-8 were disbursed in 1865. The balance Rupees 636-2-5 remained unpaid as the rightful claimant had not come forward at the time.

3. The Civil Court has now declared who is legally entitled to the money, and it has been paid accordingly.

4. The charge is similar to that referred to in letter from this Department, dated the 5th May 1875, No. 992, and would have formed a charge against Imperial Revenues, but for the accident of the non-appearance of the claimant.

5. Under the circumstances and as already stated, the provincial assignment for this Presidency being altogether inadequate to meet the demands upon it, I am to request that the sanction of the Government of India may be granted for a special assignment of Rupees 636-2-5 to Provincial Services to meet the charge.

I have the honor to be,
Sir,
Your most obedient servant,
