Local Funds—Establishment.

No. 90. Read the following Proceedings of the Board of Revenue, dated 25th October 1875, No. 2950 :—

Read the following letter from R. DAVIDSON, Esq., Acting President of the Local Fund Boards, Ganjam District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Chetterpore, 13th September 1875, No. 1,923 :—

I HAVE the honor to state that the following establishment in the Collector's Huzur Cutcherry was sanctioned by Government in their Order, dated 1st October 1872, No. 1,305, for the performance of duties connected with Local Funds under Act IV. of 1871 :—

	RS.
One Head Clerk	50
One Accountant	25
One Attender	7
Total ...	82

2. The work has since so considerably increased generally in every branch of the Local Fund Department, but more especially in the Account Branch, that it has become almost impossible to overtake it with the above inadequate establishment.

3. In the Educational Department the examination and tabulation of the details of the immense number of certifying memoranda of the results-grant schools which are now countersigned by, and paid for under the orders of, the President has already entailed a vast amount of additional work ; and, when the Local Fund Schools come to be organized according to the scheme now before Government, the details of their management and the examination of their returns, &c., will still more heavily augment the work of the already-overworked establishment.

4. The detailed management of the Vaccine Department has lately been transferred to Local Fund Boards, and this, as well as the keeping of accounts of the expenditure on the numerous sanitary works which are now, and which will be hereafter, executed generally throughout the circles, take up no inconsiderable time and tax the energy of the office establishment to the utmost.

5. I need hardly say that the additional work in question has greatly increased the responsibility of the Head Clerk, who has to go carefully through every detail of work in the department. I consider his present pay to be quite inadequate to the position he now holds.

6. Under these circumstances, I have the honor to request that the Board of Revenue will be pleased to obtain the sanction of Government for the entertainment of two additional hands, one on Rupees 30 and the other on Rupees 15 per mensem, in the Huzur Local Fund Establishment and for the raising of the salary of the Head Clerk from Rupees 50 to Rupees 70 per mensem.

7. The particulars of the existing and proposed establishments are as follows :—

ENCLOSURE No. 1.—Extract from Proceedings of Local Fund Board.

SUBMITTED for the orders of Government.

2. The Board observe that in no district except Bellary and Tanjore have more than two clerks been allowed hitherto in Collector's Offices for Local Fund work. Ganjam is probably one of the lightest districts, and the Board are not prepared to recommend that any additional hands be sanctioned, nor do they support the proposal to increase the Head Clerk's pay.
