Assessment.

No. 95. Read the following letter from J. HUNTER-BLAIR, Esq., Collector of Madras, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort Saint George, dated Madras, 3rd November 1875, No. 362:—

With reference to my letter, No. 309, dated 5th October last, recorded in G.O., dated 14th idem, No. 2025, Financial Department, I have the honor to report that the Consulting Engineer informs me that Rajaratna Naidu's bungalow, therein referred to, was never occupied by the Railway officials, but as the Engineer-in-Chief of the South Indian Railway Company found it vacant, some of the poorer classes of the Company's servants were allowed at different periods to occupy it, being convenient for them and cheaper for the Company than keeping a watchman in charge. He further states that there was no objection to its being handed over to the Asylum Directors soon after its acquisition by Government for the Company. The persons that occupied the premises are paid such small salaries that they cannot possibly pay a rental of 60 Rupees per mensem, and it would not be fair to demand any rental from them as they occupied the premises on the understanding that no rent would be charged. Under all these circumstances, I have withdrawn the demand for rent against the Company.

2. The Consulting Engineer is of opinion that the municipal assessment should be paid by the Railway Company for occupation, and has paid the amount to me. This sum has been paid to the Municipality, and I beg accordingly that the sanction accorded for payment of Rupees 54 to the Municipality in G.O., dated 14th October 1875, may be cancelled.

No. 96. ORDER THEREON, 16th November 1875, No. 2213.

The sanction accorded in G.O., dated 14th October 1875, No. 2025, will be regarded as cancelled.
