Medical.

Read the following letters:—

No. 138. From Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, (through the Accountant-General,) dated Fort St. George, 14th October 1875, No. 525.

I have the honor to mention, with reference to the Proceedings of Government, No. 1108, of 21st May 1875, that the Examiner of Accounts, Medical Department, has reported in the letter, of which copy is subjoined, that the amount allotted for the Triplicane Dispensary diets has been almost exhausted, and that a transfer of funds from some other Budget head is absolutely necessary.

2. It is not possible to mention at so early a period of the year under what head money will be available out of the current year's grant, and I have the honor therefore to recommend that the bills be, in the meantime, passed, to be adjusted hereafter. But I may mention that hitherto, for the current year's Medical establishment, the Vepery, the Triplicane, and the Lock Hospitals are all expending within their respective allotments.

From Surgeon-Major J. MURRAY, M.D., Officiating Examiner of Accounts, Medical Department, to Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, Fort St. George, dated Madras, 7th October 1875, No. 1169.

I have the honor to inform you that of the sum of Rupees 2,600 provided for the Triplicane Dispensary under the Budget head "Diet," Rupees 2,499-8-5 have been expended up to 31st August 1875, owing to the charges for the last four months of the past official year having been disbursed from out of the current year's allotment.

2. The amount available on 1st September 1875, *viz.*, Rupees 100-7-7, is quite insufficient to meet the expenditure for the ensuing seven months (September 1875 to March 1876), and a transfer of funds from some other Budget head is absolutely necessary.

No. 138-A. From E. RULE, Esq., Deputy Accountant-General, in charge of the Office of the Accountant-General, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Fort St. George, 15th October 1875, No. 424.

Budget Department.

I have the honor to remark in forwarding the accompanying letter of the Surgeon-General, Indian Medical Department, that all the charges of the Triplicane Dispensary should be borne by the Madras Municipality as per G.O., 2nd June 1875, No. 1189, Financial Department; but to enable Government to determine whether the expected excess charge on account of the Triplicane Dispensary can be met from the Medical Grant, the following particulars of the

expenditure debited to that head in the first four months of the current year are added:—

	Rs.
Medical Establishment	13,010
Vaccination	12,258
Hospitals and Dispensaries	1,24,944
Medical College and Schools	9,777
Lunatic Asylum	23,356
Chemical Examiner	7,345
Grants for Medical purposes	1,970
Health Officer's Department	6,368
Sanitary Commission	4,633
Total ...	2,03,661

No. 139. ORDER THEREON, 20th November 1875, No. 2238.

It appears from the figures given by the Accountant-General that out of a grant of Rupees 4,95,971 for Medical Services for 1875-76, Rupees 2,03,661 or Rupees 38,338 in excess of the average (Rupees 1,65,323) has been expended during one-third of the year. If the expenditure continues in the same ratio, the grant will certainly prove insufficient.

2. But on the Surgeon-General's assurance that the expenditure during the current year on the Vepery and Triplicane Dispensaries and the Lock Hospitals is kept within their respective allotments, the Governor in Council directs that the bills adverted to be passed subject to adjustment hereafter.

3. Dr. Balfour must understand that he cannot arbitrarily increase expenditure, and then ask Government or the Municipality to provide funds.
