No. 48. Read the following Proceedings of the Board of Revenue, dated 19th January 1875, No. 109:—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 12th June 1874, No. 185:—

With reference to paragraph 7 of the Proceedings of the Board of Revenue, No. 268, dated 10th February 1874,

|                    | RS. | A. | P. |                                          |

| Hospett...         | 890 | 11 | 8  | I have the honor to inform you that, out |
| Hoovinhadgally ... | 15  | 9  | 6  | of Rupees 1,350 therein referred to,     |
| Raidroog ...       | 14  | 9  | 2  | Rupees 920-14-4 were at the credit of    |
| Total ...          | 920 | 14 | 4  | the Rate Schools noted in the margin     |
|                    |     |    |    | when they were transferred to the Local  |

Fund Board; the remainder, *viz.*, Rupees 429-1-8, was the amount realized by school fees.

2. Adverting to paragraph 40 of the said Proceedings, I beg to enclose copy of letter, No. 98, dated 3rd June 1874, from the Vice-President of the Gooty Local Fund Board, which furnishes a full report on the Tadpatri School. In regard to the large amount of school fees, *viz.*, Rupees 376, said to have been collected in the school during 1872-73, I beg to observe that it included Rupees 310 which remained at the credit of the institution when it was transferred to the Local Fund Board. The actual amount of school fees collected in that year was Rupees 66, of which Rupees 38 were received into the Taluq Treasury and the rest was remitted into the Bank here.

3. In reply to paragraph 43 of the Board's Proceedings, I have to state that, when the Budget was framed, it was intended that a contribution was to be made to the Gooty Municipality towards the cost of the Munro Chuttrum Dispensary at that place for 1872-73; but in the Order of Government, No. 622, of 3rd May 1872, they having declined to transfer the dispensary to the Municipality, the contribution in question had to be credited to a new head, "Munro Chuttrum Dispensary Fund," which was not opened until the introduction of that heading was sanctioned by Government in their Order, No. 791, of 4th June 1873, on a reference made by this office to the Board of Revenue on the 19th September 1872; hence, the non-payment of any portion of the contribution to the Gooty Dispensary before the close of the official year 1872-73.

4. With reference to paragraphs 56, 60, and 61 of the Board's Proceedings, I beg to forward copy of letter, No. 23, of 24th March 1874, from the Vice-President, Pennacondah Circle, which furnishes the necessary information therein called for.

5. I also forward copy of a letter from the District Engineer, expressing his views regarding the employment of section and gang coolies on the roads in the Pennacondah Circle, as required in paragraph 60 of the Proceedings under reply. Since the receipt of this letter, section coolies have been removed from all the roads except the Bangalore High Road, which, as proposed by the District Engineer, is still looked after by them.

*Proceedings of the Madras Government, Financial Department,

ENCLOSURE No. 1.—Copy of letter from Vice-President of Gooty Local Fund Board, dated 3rd June 1874, No. 98.

ENCLOSURE No. 2.—Copy of letter from Vice-President, Pennacondah Circle, dated 24th March 1874, No. 23.

ENCLOSURE No. 3.—Copy of letter from District Engineer.

ENCLOSURE No. 4.—Statement showing results of examination.

Submitted for the information of Government.

2. The Vice-President's report, dated 3rd June 1874, No. 98, furnishes information regarding the Tadpatri School called for in paragraph 2 of the G.O., Financial Department, dated 1st May 1874, No. 754.

3. It appears that of the sum of Rupees 376 shown as school fees in the annual statements of 1872-73, only Rupees 66 were collected in the year, the remaining Rupees 310 being the balance at the credit of the school when it was transferred to the Local Fund Board.

4. The working of the school in 1872-73 was not satisfactory, but this was owing to constant changes in the masters. At the time of the Vice-President's report, there were sixty-four pupils, the average number in 1872-73 being twenty-five, and a purely vernacular class is said to have been added to the two classes already existing in which English and Telugu were taught. The Vice-President encloses a tabular statement showing the results obtained in the school during a recent examination by the Deputy Inspector of Schools.
