No. 175. Read the following Proceedings of the Board of Revenue, dated 2nd November 1875, No. 9853 (Miscellaneous):—

Read the following letter from R. DAVIDSON, Esq., Acting President of the Local Fund Boards, Ganjam, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Berhampore, 2nd October 1875, No. 827:—

With reference to the Board's Miscellaneous Proceedings of the 15th ultimo, No. 8390, communicating G.O., dated the 26th August 1875, No. 1729, Financial Department, I have the honor to state that the inconvenience therein pointed out does of course exist; but the Local Fund Board cannot, under the present circumstances, see how they can remedy it.

2. As remarked in my letter of the 30th June last, No. 1471, recorded in the Government Order under reply, it is the wish of the Local Fund Board to establish dispensaries on a small scale, in charge of Hospital Assistants, at some of the most important places in the circle. If this can be done, a Hospital Assistant may be placed permanently in charge of the Ganjam Dispensary. The prospect, however, of such a scheme being carried out seems somewhat remote, as no Hospital Assistants are at present available (*vide* G.O., dated 7th September 1875, No. 1782, Financial Department).

3. The Local Fund Board can hardly afford to employ Medical Officers of a grade higher than that of Hospital Assistant to remain stationary at any particular locality though the services of a limited number of pensioned Apothecaries may possibly be obtained.

Submitted to Government with reference to the order quoted.

No. 176. ORDER THEREON, 23rd November 1875, No. 2269.

The Governor in Council appreciates the benefits to be attained by employing an itinerating medical man in the interior of the district, but is of opinion that the price is too great to pay when it involves the concurrent closing of the Ganjam Dispensary. The itineration must be suspended until a separate officer can be assigned for it.
