No. 177. Read the following Proceedings of the Board of Revenue, dated 3rd November 1875, No. 3027 :—

Read again endorsement of the President of the Local Fund Boards, Salem District, dated 6th July 1875, on a letter from the Vice-President, recorded in Board's Proceedings, dated 16th July 1875, Miscellaneous No. 6,439.

Read also the following :—

From F. WILKINSON, Esq., Acting Vice-President of the Local Fund Board, Oossoor Circle, to C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, dated Oossoor, 4th October 1875, No. 306.

In reply to your letter, No. 1,196, of 26th ultimo, I have referred to my letter, No. 152, of 29th June, but fail to see that any further communication was promised.

2. I asked for a copy of G.O., No. 1,316, of 8th May ; but I have not been favored with one.

3. In the Budget for 1876-77, the Board have made provision for a second Local Fund Overseer, whose services, now that Government have refused to allow the Board the services of the Department of Public Works Overseers, are imperatively required.

Forwarded to Board of Revenue with reference to Board's Proceedings, Nos. 6,439 and 8,580, dated 16th July and 21st September 1875, respectively.

Salem, 12th October 1875. (Signed) C. T. LONGLEY, President.

Submitted for the orders of Government with reference to their endorsement, dated 26th May 1875, on the G.O., Public Works Department, dated 8th May 1875, No. 1,316.

2. In the Salem District, all road repairs with a few exceptions are executed by Local Fund Overseers, who are exclusively under the control of the Revenue Officers. The Oossoor Circle Board having only one Overseer in the Circle applied to the Oossoor Range Officer to depute the Imperial Taluq Overseers to measure and check at the commencement of each month the work performed by "Other Agency." As exception has been taken to this arrangement in the Government Order quoted above, the Local Fund Board consider that an additional Local Fund Overseer for the Circle is necessary, and have made provision accordingly in the ensuing year's budget, which is now before Government. But as the charge will have to be included in the 25 per cent. payable for Public Works Department Establishments, it is advisable that orders on the application should be separately passed.

3. The further communication was the Local Board's resolution on the Government Order, which appeared from the Vice-President's letter of the 29th June not to have yet been placed before them.

No. 178. ORDER THEREON, 25th November 1875, No. 2271.

The entertainment of an additional Local Fund Overseer for the Oossoor Circle is sanctioned.

2. It is not clear why the charge for an officer to be employed on work performed exclusively by "Other Agency" should be included in the 25 per cent. charge for Public Works Supervision.

3. It is presumed that the outlay on which the 25 per cent. is calculated does not include the amount spent on the road repairs by other agency.

of each month the work performed on roads repaired by "other Agency".

2. There is only one Local Fund Overseer employed in the Circle and it is impossible for him to measure the work performed on each of the 18 roads repaired by "other Agency".

3. As Government have ruled that the Board are not entitled to the services of the Public Works Department Taluq Overseers for checking the work performed on Local roads

roads it will be necessary for the Board to maintain another Local Fund Overseer, and I request that a copy of the above Government Order may be furnished me to be laid before the Circle Board.
