Proceedings of the Madras Government, Financial Department, 25th November 1875.

Local Fund—Vaccination.

No. 187. Read the following letter from Surgeon-Major H. KING, A.M., M.B., Acting Sanitary Commissioner, to the Hon. D. F. CARMIHCAEL, Officiating Chief Secretary to Government, Fort Saint George, dated Budwail, 18th October 1875, No. 26 :—

I have the honor to forward Proceedings of the Board of Revenue of 12th August and 8th October 1875, relating to payment of vaccinators by results in the Vizagapatam Local Fund Circle.

Proceedings of the Board of Revenue, dated 8th October 1875, No. 2819.

Read the following letter from H. ST. A. GOODRICH, Esq., Acting Collector and President of the Local Fund Board, Vizagapatam Circle, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Conada, 8th September 1875, No. 1,544 :—

REFERRING to paragraph 2 of the Proceedings of the Board of Revenue, Miscellaneous No. 7,327, dated 12th August 1875, I have the honor to report that the system of payment by results, lately introduced in the Vaccination Department in this district, has not produced the desired effect. Previous to the transfer of the department to the Local Fund Board the first-class vaccinators were getting Rupees 18 a-month, and the second-class men Rupees 10. But since the introduction of the new system their pay has been reduced to Rupees 12 and Rupees 6 respectively, and a grant of one anna allowed to each vaccinator for every successful case. The following statement shows the average work done during the first quarter of 1875-76 by the vaccinators, thirty-four in number, and the pay drawn by them including allowances as compared with that of the preceding quarter ending with 31st March 1875 :—

Item.	Average Number of Cases operated in a Month.	Average Number of Successful Cases in a Month.	Amount of Grant drawn including Pay.
			Rs. A. P.
Last quarter of 1874-75	868	654	428 0 0
First quarter of 1875-76	724	620	313 2 0
Difference ...	144	34	114 14 0

2. A Sub-Committee* was appointed to report on the experiment for the first quarter, and at a meeting held on the 1st ultimo it was resolved that the operation of the new rules for payment by results had been to save needless expenditure of money. The payments made under the previous system were out of all proportion to the work done. This effect is good in itself, but the Local Fund Board had not economy before them as their first object when they introduced the changes; what they most desired was the increase of work done. This

effect has not been produced, and they resolve to recommend that one-anna batta be paid to each successful case in addition to the one-anna vaccinator's fee under the same safeguards as have been found effectual in the Vizianagram Municipality.

3. The Local Fund Board of the Vizagapatam Circle have approved of the recommendation of the Sub-Committee. The necessary instructions on the subject have been issued to the Tahsildars, the Deputy Tahsildars, and Superintendents. The additional payment of one anna to each successful case will be brought into force from 1st September 1875, and a further report on the subject will be submitted early in December next.

Copy of the rules under which this extra payment is to be made is enclosed.

ENCLOSURE No. 1.

Rules for Payment of Vaccinators by Results.

EACH vaccinator should submit to the Deputy Tahsildar or Tahsildar a list of villages that he intends visiting during the first or second half of the month as the case may be, so as to reach the Deputy Tahsildar or Tahsildar three days before his proposed visit, and the Tahsildar or Deputy Tahsildar should at once issue instructions to the Village Munsifs concerned to afford the vaccinator all possible assistance during his stay in the village.

2. The vaccinator, as he leaves the village, should hand over to the Village Munsif a list of the individuals he has vaccinated, with a column for the Village Munsif to check the numbers of those operated on.

3. On the seventh day after the departure of the vaccinator from the village the Village Munsif should examine the children and note down opposite to each name in the vaccinator's list the number of children with marks of vaccination and forward it on to the Deputy Tahsildar or Tahsildar. The Village Munsif will be held responsible for any misrepresentation in his remarks and for any delay in the despatch of the return.

4. These certificates should be passed by the Deputy Tahsildars or Tahsildars as they are received, and sent on to the Superintendent of Vaccination to be checked. After he has decided on the number of successful cases, he will submit the bill, and the President will pass it and order the Tahsildar or Deputy Tahsildar to the Village Munsif to distribute to the persons vaccinated at one anna each successful case. The Tahsildar or Deputy Tahsildar will return as a voucher for this payment a certificate signed by the Vaccinator, the Curnam, the Munsif, and another respectable inhabitant of the village that the money has been paid to the vaccinated persons in presence of all four of them. In cusba stations the Tahsildar or Deputy Tahsildar will himself make the payment.

5. The Tahsildar, Deputy Tahsildar, and Revenue Inspectors during their tours through the villages should examine at random three or four cases with reference to the Village Vaccination Register, and submit at least one report on the subject in each quarter.
