Budget.

No. 197. Read the following letter from the Venerable C. R. DRURY, M.A., Archdeacon of Madras, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 5th November 1875, No. 353:—

I have the honor to forward a tabulated statement of estimates for expenditure, which it will be advisable should be incurred, during the Financial year 1876-77, in the Churches and Cemeteries specified in this Presidency.

2. I called for these returns, by the Bishop's order, in a circular of which I enclose a copy, because otherwise the replies will be scarcely intelligible.

3. I also forward for perusal the letters and estimates I have received in answer to the circular. It will be seen that I have omitted from the statement I submit portions of estimates which it is improbable Government will sanction.

4. I trust that these estimates may be included in the Ecclesiastical Budget for the coming year.

No. 198. ORDER THEREON, 25th November 1875, No. 2289.

In revising the estimate he will be guided by the Resolution cited, and by the remarks above made.

3. The charges which should be included in the Budget of the Public Works Department will be kept separate from those to be included in the Budget of the Civil Department.

4. Charges to be borne by congregations should find no place in either estimate.
