Governor's Band.

No. 201. Read the following letter from Major BERTIE HOBART, Military Secretary to His Excellency the Governor, to the Honorable D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 19th November 1875, No. 196 :—

With reference to the accompanying letter from the Accountant-General, No. 8101, of the 15th instant, I have the honor, by order, to request that the special sanction of Government may be obtained to the charges included in the bill herewith snbmitted, as that officer will not admit them without such sanction.

2. The only item of expenditure in 1874-75 was Rupees 150-0-11, incurred by Colonel Baldock, the officer then in charge of the Band, and which not having been recovered from the Accountant-General, lapsed, with the unexpended balance, to the credit of Government. Thus in that year there was no expenditure from the allotment of Rupees 500.

3. The excess of expenditure in 1875-76 of Rupees 430-7-11 over the allotment is in consequence of the inclusion of the item of Rupees 150-0-11 in the present bill, and the purchase of other articles besides music, which was considered desirable for the efficiency of the Band.

4. It would appear from the letter of the Accountant-General that he would strictly limit the expenditure of the allotment to the purchase of music only, and if this be so, I have to request the sanction of Government may be obtained to expend such portion of the allotment as may remain unexpended after purchase of music on other articles that may be required for the Band, there being no other allowance for the purpose.

No. 202. ORDER THEREON, 26th November 1875, No. 2296.

Under the explanation afforded the Governor in Council sanctions payment of the bill for Rupees 930-7-11 which amount, it is observed, is within the grants* for 1874-75 and 1875-76, no expenditure having been incurred in the former year.

* Rupees 500.

2. The Governor in Council is unable to accord the general sanction sought in the concluding clause of the letter, but he sees no objection to the allotment of Rupees 500 for music being reduced to such amount as may be deemed necessary, and the balance assigned for "Contingencies," under which head articles other than music may be charged.
