No. 214. Proceedings of the Board of Revenue, dated 5th November 1875, No. 9962 (Miscellaneous.)

Read the following letter from W. D. HORSLEY, Esq., President of the Local Fund Boards, Cuddapah District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cuddapah, 22nd October 1875, No. 585:—

I have the honor to submit copy of a Resolution, No. 128, of 28th September 1875, passed by the Cuddapah Circle Board, and to request that the Revenue Board will be good enough to obtain the sanction of Government for the entertainment of three Superintendents on Rupees 45 each, instead of one on Rupees 70, per mensem, for the supervision of the Vaccine Establishment in the Circle. The necessary provision has been made in the Budget of the next official year 1876-77 for the increased establishment. The sum of Rupees 434 required for the charges of the increased establishment during the current year for five and-a-half months can be met from the general balance of the current official year.

Submitted for the orders of Government through the Sanitary Commissioner.

2. Increase of the strength of the Supervising Staff is doubtless desirable, but the Board are unable to say whether the proposed salaries are sufficient to secure competent men for the duties of Superintendent.

No. 215. From Surgeon-Major H. KING, M.B., A.M., Acting Sanitary Commissioner for Madras, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 15th November 1875, No. 2003.

I have the honor to forward Proceedings, Board of Revenue, No. 9962, of 5th November 1875, and to express my concurrence with the Board in their view that increased supervision of the Vaccination Department in the Cuddapah Circle is desirable; as well as in their doubt whether the reduced salary will attract suitable men, especially if Government should hereafter require of Superintendents of Vaccination a knowledge of English and of elementary Hygiene. The Local Fund Board however is the best judge of this question, and I shall be glad if Government will sanction the change proposed. At the same time it should, I think, be distinctly understood that such exceptional arrangements in the Vaccination Department under Local Fund Boards are only provisional and probably temporary. It will not be possible to work the department at all if every local body has a system peculiar to itself, and I trust soon to be able to submit to Government proposals for the adaptation of the department to its altered

conditions which, if sanctioned, will apply to the whole Presidency, and with which the arrangement now under reference may not be found consistent.

2. I observe that the proposed Superintendents are to be "under the Zillah Surgeon." I deprecate any such subordination of Superintendents of Vaccination to the Zillah Surgeon as may impair in any degree the control of the Inspector.

No. 216. ORDER THEREON, 26th November 1875, No. 2302.

Communicated to the President of the Cuddapah Circle Board through the Board of Revenue. The Government await the submission of the scheme promised by the Acting Sanitary Commissioner.

No 1283 Read application from the Tahsildar of Rodatur asking that the Vaccinators may be put under his orders.

The Board considers that the Vaccina- Supervising Establishment of one Superintendent is too small. It resolves to have 3 Superintendents under the Zillah Surgeon each on Rs 45 per mensem and a peon for each Superintendent

on

and

on Rs 7 per mensem. The difference of cost is as follows.

Present Establishment.

1 Superintendent on Rs 70 a month	70×12 =	Rs 840.
1 Peon on Rs 7 a month	7×12 =	84
		924

New Establishment.

3 Superintendents on Rs 45 a month each	135×12 =	Rs 1620
3 Peons on Rs 7 a month each	21×12 =	252
		1872

Rs 1872 – Rs 924 = net increase of Rs 948 per annum.
