No. 241. Read the following Proceedings of the Board of Revenue, dated 1st November 1875, No. 3013 :—

Read the following letter from H. W. BLISS, Esq., Acting President of the Local Fund Boards, Madura, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 5th October 1875, No. 116 :—

I HAVE the honor to submit for sanction an estimate, amounting to Rs. 25,580, for repairing a portion of Road No. 5 between Chettiapatty Pass and Allinagaram passed by the Local Fund Board, Dindigul Circle, in Proceedings, No. 118 of 1875, copy of which accompanies.

2. This road is a particularly important one and carries considerable traffic. The toll-gate on it has been rented out for Rupees 5,660 for eleven months from May 1875. The road was originally badly made, and has been allowed to get into an almost impassable state. It requires immediate attention. I therefore request sanction for the proposed transfer of Rupees 8,000 to this work from Item No. 7, Part I., New Works, of the Budget for the current year. An estimate for the earth-work, gravelling, and metalling of the latter road (No. 44, from Palkanooth to Dharapuram) has recently been received from the District Engineer, who states that the estimate for the masonry works required on it will shortly follow. Being included in the Budget therefore it should properly be taken in hand in preference to a work which is not included ; but as there can be no doubt that the road from the Chettiapatty Pass to Allinagaram is of more importance than that from Palkanooth to Dharapuram I recommend this transfer nevertheless.

ENCLOSURES Nos. 1 and 2.—Estimates.

ENCLOSURE No. 3.—Extract from Proceedings of Local Fund Board.

THE estimate, amounting to Rupees 25,580, for repairing a portion of road No. 5 from Chettiapatty Pass to Allinagaram is submitted for the sanction of Government.

2. The President states that the road was originally badly constructed, that it has been allowed to get into an impassable state, and that it requires immediate attention. He ought to have mentioned the circumstances under which the road was thus neglected. It has maintenance allowances of Rupees 100 and 150 per mile.

3. The sanction of Government is also required for the proposed transfer of funds from New Works to Repairs.
