No. 243. Proceedings of the Board of Revenue, dated 27th September 1875, No. 2696.

Read the following letter from J. D. B. GRIBBLE, Esq., Vice-President of the Local Fund Board, Madanapally Circle, to W. D. HORSLEY, Esq., President of the Local Fund Boards, Cuddapah District, dated 30th August 1875, No. 262 :—

I HAVE to request that you will be good enough to obtain the orders of Government on the marginally-noted correspondence.

A.—Acting Police Superintendent's letter, dated 20th August 1875.
B.—Resolution 12 of the Meeting held on 23rd August 1875.

2. In A, the Acting Superintendent of Police requests to be informed whether we can provide accommodation for the Police as in-patients in the Madanapally Dispensary, and states that the daily average throughout the year is from five to six. It is I believe true that the Police suffer considerable inconvenience for want of a hospital; the average number of sick is very high; the dispensary is some distance from the town; and it is difficult to keep a proper check on the men who are, or who pretend to be sick. At the same time to build a hospital exclusively for the Police would be a costly undertaking; the Local Fund Board would probably be requested to allow their Medical Officer to supervise it, and his time and attention would thus be divided. I do not think that there is any necessity for an extra establishment. The Local Fund Board are now building a large dispensary and hospital, and can, I think, provide in it accommodation for the Police who will of course be treated as other in-patients.

3. In offering to do this however the Local Fund Board are of opinion that as the cost of treating the Police is not a Local Fund one, and as by receiving Police patients the Government will be saved considerable outlay, whilst they will have to incur some additional expense, they are justified in asking for a grant to meet this liability. They ask for an annual grant of Rupees 360 (*vide* Resolution B) and a present payment of Rupees 250 to provide for cots and additional furniture. I do not think that this request is an unreasonable one, and therefore commend it to your favorable notice.

ENCLOSURE No. 1, A.

From Captain C. J. T. WHITLOCK, Acting Superintendent of Police, Cuddapah, to J. D. B. GRIBBLE, Esq., Vice-President of the Local Fund Board, Madanapally, dated Madanapally, 20th August 1875.

I HAVE the honor to request sanction for the Police being treated as in-patients in the Civil Dispensary here. At present there is no hospital accommodation for the men, and they suffer much from this inconvenience, as when sick they have to walk a long distance to the dispensary daily. The average daily sick is about five or six. Under the present system of treating the men as out-patients there is much difficulty experienced in controlling them, and seeing that they again

return to their division in proper time. Should you not agree to my request may I ask what you would suggest.

Proceedings of the Local Fund Board, Madanapally Circle, passed at their Meeting held on the 23rd August 1875.

RESOLUTION No. 12.

Read letter from the Acting Superintendent of Police requesting sanction for the Policemen being treated as in-patients in the Madanapally Dispensary.

THE Board are prepared to receive sick Policemen as in-patients in their new dispensary on the same terms as other patients. At present in the old building there is not space available. The daily average of Police sick is stated to be five or six or about one-quarter of the present daily average of in-patients. The Board however would request that if the Police are sent for treatment, and the Government thus spared the additional expense of building and maintaining a Police Hospital, the dispensary may be allowed a special annual grant of Rupees 360 for a third-class Hospital Assistant and a sweeper, and an allotment of Rupees 250 for the purchase of iron cots and other necessary furniture.

SUBMITTED with copy of Resolution for the favorable consideration of the Board of Revenue. As the accommodation required is only for five to six Constables daily who are to be treated as in-patients, it would be to the advantage of Government to pay, as the Madanapally Board propose, for their treatment in the Local Fund Dispensary, rather than to incur the expense of building a separate hospital for the Police.

SUBMITTED for the orders of Government.

2. It is proposed that arrangements be made for the accommodation of the Police sick as in-patients in the Madanapally Local Fund Dispensary, and it is stated that the cost of providing a separate hospital for the Police will thus be saved. The Local Board ask that an annual grant of Rupees 360 may be made for an additional Hospital Assistant whose services will be required, and that Rupees 250 may be sanctioned for cots and appliances for the Police.

3. The staff now consists of an Apothecary and a Hospital Assistant whose salaries amount to Rupees 285 per mensem, and no contribution towards their pay

is now made by Government. The arrangement proposed by the Local Boards is a very advantageous one for Government, and the terms they ask very moderate. The Board recommend that the proposals be sanctioned.

With reference to your endorsement, No. 565, on the Proceedings of the Board of Revenue, herewith returned, I have the honor to state that the usual contribution of Government for treatment of Police patients in Local Fund Dispensaries is 25 per cent. of the salaries of the medical subordinates, and as the terms offered by the Madanapally Local Fund Dispensary are more favorable to Government than the above rate there would seem to be no objection to them.

Proceedings of the Board of Revenue, dated 3rd December 1875.

Read the following letter from C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 15th November 1875, No. 1,370 :—

I have the honor to forward, herewith, copy of a correspondence received from the Vice-President of the Local Fund Board of Oossoor, on the subject of the Mahomedan Schools at Dharampury and Kistnagherri in that circle.

2. Under the sanction conveyed in G. O., No. 102, dated 22nd January last (paragraph 3), the Local Board entertained masters and opened schools for teaching Hindoostani in the places above indicated; but by G. O., No. 1,662, dated 13th August, these schools have been disallowed, and the Local Board of Oossoor now request that the Government may be moved to re-consider their order, and permit the continuance of these schools on their present footing. A copy of the Local Fund Board's Resolution on the subject is enclosed for the information of the Board of Revenue and Government.

3. I may also state that the Local Fund Board have, as a temporary measure, ordered the Deputy Inspector of schools to treat these schools as results system schools, and examine and award results grants to them as such, as the masters have, since their entertainment, been without salary.

4. I request early orders of Government on the subject.

ENCLOSURE No. 1.

From F. WILKINSON, Esq., Acting Vice-President of the Local Fund Board, Oossoor Circle, to C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, dated Oossoor, 27th October 1875, No. 346.

I HAVE the honor to forward, herewith, a Resolution of this Circle Board, dated the 22nd instant.

2. Taking into consideration the Mahomedan population at Kistnagherri (1,658) and Dharampury (990), the Circle Board, in preparing their budget for the current year, resolved to make provision for Mahomedan schools at these places, and accordingly entered them in Grant III.-A as salary grant schools.

3. The Board of Revenue in reviewing the Budget remarked: "these are Local Fund Schools, not Salary Grant Schools in the usual sense. If so, the schools should be entered against Elementary Local Fund Schools."

4. Government in their Order, No. 102, dated 22nd January, said, "the additional schools proposed may be established."

5. A revised Statement No. III. was submitted to the Board of Revenue with the President's letter, No. 309, of 11th March last, and in their Proceedings of 12th April No. 894, the Board of Revenue request sanction "for the establishment of the two new Local Fund Schools at Kristnagherri and Dharampury."

6. In their Order, No. 1,208, of 4th June, Government refused to "allow the establishment of any fresh schools of so expensive a character," referring presumably to the schools at Kristnagherri and Dharampury, which under the sanction conveyed in G.O. of 22nd January, had already been established.

7. The Board of Revenue in their Proceedings of 16th July, No. 6,447, "respectfully observe that the only new schools proposed are those at Kistnagherri and Dharampury which cost only rupees 188 each." But Government in their Order of the 13th August, No. 1,662, "adhered to their resolution to sanction no new schools at present in Oossoor." This Government Order was received by the Circle Board on the 14th September.
