Municipal Assessment.

Read the following papers:—

No. 252. From L. R. BURROWS, Esq., Acting President of the Municipal Commission, Madras, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 24th September 1875, G. No. 421.

With reference to the Proceedings of Government noted in the margin, I have the honor to forward, herewith, a Budget Estimate of the Charges of this Department against Government, for assessment on Government buildings and lands for the official year 1876-77.

Dated 15th April 1862, No. 289, Finl. Dept.

No. 515.

Officiating Chief Secretary.

No. 253. From J. HUNTER-BLAIR, Esq., Collector of Madras, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 18th October 1875, No. 336.

With reference to your endorsement, dated 27th September 1875, No. 515, on letter from the President of the Municipal Commission of the 24th September 1875, No. 421, I have the honor to forward a copy of the Acting Deputy Collector's report on the increase in the Municipal assessments on Government buildings for the year 1876-77.

2. The increase proposed by the Municipal President is Rupees 1,000-4-4. The Deputy Collector thinks that the increase of Rupees 900 in item 3 of the estimate should be allowed to stand till the buildings are completed, when the correct assessment can be finally settled.

3. This proposal is, I think, equitable to both Government and the Municipality.

4. The letter of the President and its enclosures are herewith returned.

From C. CUNDASAWMY, Mudaliar, Acting Deputy Collector of Madras, to J. HUNTER-BLAIR, Esq., Collector of Madras, dated Madras, 13th October 1875, No. 1312.

I have the honor to report on the Municipal Budget Estimate of assessment on Government buildings for the year 1876-77, forwarded with your docket, No. 933, dated 30th ultimo.

2. The Chief Secretary's docket, No. 515, of the 27th idem, on Municipal President's letter, No. 421, of the 24th idem, together with the estimate, are herewith returned.

3. The first two items of Rupees 1-5-7 each in the estimate being assessment on newly built Tanahs in Teroovattoor high road are reasonable, and they may be allowed to stand.

4. The increase of 72 Rupees in the assessment of the Stamp and Stationery Office in the North Beach Road is fair considering the accommodation afforded by the two newly-built stationery store-rooms in the compound. This is the fourth item in the estimate.

5. The addition of a guard-room to the pipe-godowns in the fourth North Beach Road quite justifies the addition of Rupees 2-10-0 to the assessment of the entire building, and this is the fifth item in the estimate.

6. The newly-constructed shed in the Gun Carriage Manufactory, Naval Hospital Road, for fire engines, which is the sixth item in the estimate, justifies the imposition of an additional assessment of Rupees 22-15-2.

7. The buildings in the third item are all in course of construction, and it is not possible to say in their present unfinished state whether the demand of Rupees 900 per annum as their annual assessment is exorbitant or low. The item may, however, be allowed to stand in the Budget, to enable us to pay the assessment if the building comes into use next year, the exact amount of assessment being then settled.

No. 254. ORDER THEREON, 29th November 1875, No. 2333.

Under the circumstances stated, the estimate of the Madras Municipality for 1876-77 for assessment on Government buildings is passed as submitted for Rupees 28,518.
