MUNICIPAL DRAINAGE.

Read again Proceedings, dated 23rd December 1874, No. 2150.

No. 23. Read also the following letter from W. CLARK, Esq., C.E., Drainage Engineer, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, Fort St. George, dated Madras, 5th January 1875.

Herewith I enclose, for your revision and approval, Pay Abstract for the men who are employed in my office up to end of December. In addition to these there are two Levellers lent from the Municipality, and whom I propose to pay at the rate of Rupees 4 per mile (for the out-of-door work) for all correct levels accepted.

2. The Draughtsmen are, I believe, usually paid according to the certificates they hold; at present they are scarcely worth what they say they are entitled to, *viz.*, Rupees 50 for second-class and Rupees 30 for third-class; one has no certificate, and he is good as the others.

P.S.—I shall be glad to have the assistance of another writer.

Transferred to the Financial Department for sanction, or for grant of money to meet monthly salary bills.
