26th November 1875

My dear Dr Harris,

I am desired by His Grace the Duke of Buckingham to request - for the use of your good self & continue your professional attendance at this House & on the Establishment - as you have heretofore done for Mr Robinson. Will you kindly make a

medical attendance on the family of the Honble Mr Robinson until the arrival of His Grace the Duke of Buckingham and continues to officiate in

daily morning visit there.

Perhaps if you can make it convenient to come between 10 & 11 or 12 to-morrow. You will learn from His Grace what time in future he would like you to come, so as to interfere as little as possible with your other professional duties.

You know, I believe, the Apothecary on the Establishment, who will be

under your orders.

In requesting you to undertake this charge I have to mention that it is possible, should your attendance be required beyond this month, that the Government may consider whether the entire emolument of the appointment of Surgeon to the Governor can be passed to you, or only a proportion.
