RESOLUTION.—The sum of Rupees 6,300 granted to British Burma for 1875-76 may be expended as desired by the Chief Commissioner. But the Honorable the President in Council observes that, as a rule, no demand should be made upon the Imperial Revenues on account of Exhibitions and Fairs, which are local institutions, and should either be self-supporting (as in point of fact they are throughout the whole of Upper India), or their cost should be met from Local Funds.

2. His Honor in Council is accordingly pleased to resolve that, in future, all expenses on this account shall be met by the Local Governments, but in reference to the aid that has heretofore been given more or less at different times, and to the nature of these institutions in some of the Provinces, His Honor in Council sanctions the following additions to the Provincial Assignments with effect from the beginning of 1876-77:—
