No. 68. Read the following letter from H. B. GRIGG, Esq., Acting President of the Municipal Commission, Ootacamund, to the Honorable D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Ootacamund, 28th January 1875, No. 4 :—

I have the honor, referring to G.O., 8th January 1875, No. 32, to inquire whether the municipal accounts are to be kept in the form now prescribed by Government, or in that laid down in G.O., 28th October 1871, No. 1646.

2. The account now to be submitted is to "correspond exactly with the detailed estimates" submitted to the Government Office. If it is so to correspond, then the form laid down in G.O., 28th October 1871, No. 1646, must, it would seem, be abrogated in favor of the form now required, not only for the budget preparation, but also as regards the report of annual receipts and expenditure, as that order provides for both.

3. I presume that the words "correspond exactly" do not mean a mere tallying of the grand totals.

No. 69. ORDER THEREON, 5th February 1875, No. 245.

The forms prescribed in G.O., dated 28th October 1871, No. 1646, must be adhered to for the budgets and accounts to be submitted to Government.

2. The instruction regarding exact correspondence was to prevent the introduction into the abstract submitted to the Accountant-General of any modifications which might have been decided on by the Commissioners after the submission of the estimates to Government.
