Para 2 of this G.O. in his P.W. Dept. dy 27 Sept. 1875 No 195 evidently relates to his pronouncement in the P.W.D. code to the effect that the District Engineer can sanction expenditure in excess of the estimate to an extent not exceeding 5%. This does not seem to be applicable to Local Fd works, although no express mention is made of it in the Board's rules.
