RESOLUTION.—The measures in force or proposed to be put in force seem generally well adapted to the object in view, but it is unnecessary to require, as has been done in some Provinces, the submission of a Return showing the names of Covenanted Civilians who have attained the age of 55 years, for these officers are subject to the rule requiring retirement after 35 years' service and not to the rule requiring retirement at 55 years of age.

2. As doubts have been entertained with regard to the classes of officers to whom the Resolution of 20th August refers, it may be well to explain that it was intended to apply solely to Military Officers in civil employ.

ORDER.—Ordered that a copy of this Resolution be forwarded to Local Governments and Administrations and to the Financial Department for information.
